Referring to the Regulations under date 10th instant, respecting the sale of Household Coal, His Excellency the Administrator in Council has been pleased to amend Regulation 1 so as to permit selling and delivery of one-half ton of soft coal per fortnight instead of one-quarter ton per week, thus avoiding increased cost to consumers through the additional cartage. The amended Regulation will now read:

1. Because of the present serious conditions in the coal producing centres and the limited stock held here, it is hereby ordered that no coal vendor in the City of St. John's shall sell or deliver after this date to any household, family or tenement holder more than one-half ton (1120 lbs.) of soft coal per fortnight until further notice. Any person receiving a supply of coal under this Regulation shall not transfer it to any other person.

On recommendation of the Tonnage Committee of the Executive Council, and under the provisions of the War Measures Act, 1914, His Excellency the Administrator in Council has been pleased to approve the following Regulations respecting the sale of household Coal:—

(1) Because of the present serious conditions in the coal producing centres and the limited stocks held here, it is hereby ordered that no coal vendor in the city of St. John's shall sell or deliver after this date to any household, family or tenement holder more than one-quarter ton (560 lbs.) of soft coal per week until further notice. Any person receiving a supply of coal under this regulation shall not transfer it to any other person.

(2) It shall be incumbent upon the coal vendors to establish such machinery as shall be necessary to prevent any person from purchasing from two or more vendors a larger supply per week than he or she is entitled to under these regulations. Any person attempting to obtain a larger supply than he or she is entitled to under these regulations will be guilty of a breach of the same.

(3) Any person feeling aggrieved by this order, shall furnish proofs to the Tonnage Committee that the weekly allowance provided herein is insufficient to carry on his ordinary business or trade, and the decision of the Tonnage Committee shall be final.

(4) The vendors shall furnish on Monday morning of each week to the Tonnage Committee a certified list of the names and addresses of all persons to whom they have sold or delivered coal during the previous week, and the quantity sold or delivered.

(5) Any carrier delivering coal to any person other than the person named on his delivery note shall be guilty of a breach of these regulations.

(6) Any person having a supply of coal in stock shall not be entitled to purchase a further supply until his stock is less than one quarter ton.

(7) The penalty for any breach of these regulations shall not exceed \$500 with or without imprisonment not exceeding three months.

Deputy Colonial Secretary,
Colonial Secretary's Office,
