**Parcels for
Newfoundland
Forces
Overseas!**

(1) Parcels must not exceed 11 lbs. in weight.

(2) Parcels addressed to members of the Newfoundland Forces Overseas should bear the name and address of a second addressee to whom the parcels may be delivered or forwarded if it should prove impossible to deliver the first. The original address should be written on the FRONT of the parcel where the postage stamps and Customs declaration are affixed, and the second or alternative address should be written on the BACK of the parcel. If not deliverable to first addressee, send to . . . (2nd addressee).

(3) If a second address is not furnished at the time of posting and delivery cannot be effected, the contents of the parcel, unless of exceptional value or of a personal nature, will be turned over to the Military Authorities for distribution.

(4) Parcels containing articles of a personal nature or of special value will be returned if a request for their return in case of non-delivery is made by the sender, such request to be written on the parcel at the time of posting.

(5) This plan is being adopted at the suggestion of the British Post Office, which states that the present procedure of holding undelivered parcels at the Dead Letter Office until instructions are received as to their disposal is resulting in the waste of a large quantity of perishable food-stuffs, which form the contents of 90 per cent. of parcels addressed to soldiers.
