Byno Hypophosphites A General Tonic

An excellent tonic which quickly restores strength and energy to the system when run down, or suffering from the after effects of illness. It stimulates the appetite to enjoy their meals thoroughly and derive digestion and enables those who suffer from loss of full benefit from them. When feeling weak or easily becoming tired after slight exertion, Byno

Hypophosphites is invaluable. Obtainable from all Chemists, Stores, etc., throughout the B.W.I.

Allen & Hanburys Ltd., London. H. S. HALSALL, Special Representative for the B.W.J., P.O. Box 57, BRIDGETOWN, BARBADOS.

ABLE TO DO HOUSEWORK NOW

Sick a Year. Got Great Benefit from Lydia E. Pinkham's Vegetable Compound

Bloomington, N.S.—"I took Lydia E. Pinkham's Vegetable Compound for pains and backache, also for neryousness, sick headaches and sleep-essness. I was troubled in this way lessness. I was troubled in this way for over a year, and a friend told me about the Vegetable Compound and induced me to take it. I must say I have received great benefit from it and am able to do my housework now. I recommend the Vegetable Compound myself and am willing for you to use this letter as a testimonial."—Mrs. WILLIAM MORSE, Bloomington, Annapolis County, Nova Scotia.

Do you know that in a recent can-

Do you know that in a recent canvass among women users of the Vegetable Compound over 220,000 replies were received. To the question, "Have you received benefit by taking this medicine?" 98 per cent. replied "Yes."

This means that 98 out of every 100 women are in better health because they have given this medicine a fair

Mrs. Morse is simply another case of a woman receiving "great benefit." it bring her more happiness than it has brought me!"

At which kindly wish her eyes fill ed with tears again.

"Papa will see that I have been crying," she murmured, suddenly, "And it will grieve him. Alas, he is sad enough as it is!"

And, overcoming her weakness by great effort, she went to her dressing room to bathe away the traces of her tears. She needed no light, the moon was flooding the room, and after she had smoothed back the thick, luxurious hair from her brow she turned to descend. It was impossible to leave the room without looking upon the night, so she stepped to the

Radon-Rarer Than Radium

A new substance, radon, has been discovered, which costs \$5,000,000 an ounce. Although it is the most expensive substance in the world, its use will make the treatment of cancer cheaper. It is a gaslike emanation of radium and will be cheaper to use than radium because it is 160,000 times as active. From \$25 to \$50 worth of it, explains Dr. Charles H. Viol of Pittsburgh, will do the same work as rom \$2000 to \$4000 worth of radium. Radon is put up in tiny glass
