If it is true that Mr. Gladstone has appointed Judah P. Benjamin, exsecretary of War to the defunct Confederacy, to a seni-diplomatic agency in Washington, he has done right. The ignorant and insulting impertinence that made the Fenian Savage American Consul for Cork, deserved setalistics.

would make the matter one of importance to us.

For all the purposes for which a linimen sused, the Allevantor is superior to any preparation that the skill of man has yet discovered. As an internal remedy it has nevebeen excelled, owing to its healing balsanic pyoperties in irritations of the mucous membrane of the alimentary canal, air passages and urinary organs, and at the same time exercising a powerful seductive influence upon the nervous centre, thereby subduing pain, allaying morbid excitement and irritability, and imparting a feeling of contort, case and tranquility to the whole system. It is conceded to be the greatest pain relieving agent that has ever been offered to the public for the cure of Sprains, Bruises, Pains in the Head, Chest, Side or Back, Pain and Soreness in the bones and Muscles, Rheumstiam, Pains and Stiffness in the Joints, Paralysis, Neuralgia, Colio, Cramps, and Pains in the Bowds, Cholera Morbus, Asiatic Cholera, Diarrhora, Dysentery, lang, Corns, Bunions, ingrowing Mails, Sores, Sectoris, Bunions, ingrowing Mails, Sores, Sectoris, Sunions, Frost Bites and Chilbians, Swent Scalded Feet, Gont, Cuts and Wounds, Chaleror or Sore Mouth, Pleurisy, Coughs, Cold, Infianmations, &c. al agents for British Possessions.

Briggs' Modern Curative for Corns, Bunions, Ingrowing Nalls, Tender Feet, &c.—It is the safest and most efficacious remedy ever discovered for the cure and prevention of allments of the feet. It is not potash or acid, but a soothing, softening and healing ointment warranted not to injure the most delicate foot, but will soon effect a radical cure of these vexatious torments of the buman family. There is no remedy equal to an operation by a skilful chiropodist. When this is not convenient, Briggs' McDern Curative comes as an angel of mercy. Sold by E. Harvey & Co. and druggists generally. C. Guelph Markets MERCURY OFFICE, GUELPH. January 27, 1869.

January 27, 1869.

There has been but little doing in our market during the past week, and it may fairly be called inactive. Prices, however, haven ot shown any sign of decline; indeed, the tendency seemed to be in the opposite direction, particularly in pork and grain. On Tuesday there was a slight improvement in the number of sales. Between four and five thousand bushels of wheat, 300 bushels of barley, and 250 hogs were disposed of. Hay and wood also came in pretty freely, and were disposed of at fair prices. No sale in oats—peas very dull. The absence of sleighing causes a dullness in both buying and selling, and provisions of all kinds are firm and dear.
