MR. GILLETT'S STATEMENT.

"There is nothing that can give me greater pleasure," said Bro. Gillett, "than to say a good word for Dr. Williams' Pink Pills. I tell you they saved the lodge a good deal of money in Bro. Carrothers' case, and there is not a member of Perseverance who won't say the same thing. We had paid out over \$400 to our sick brother, and of course it was a big drain on our finances. We asked the lodge physician, Dr. Pingel, to examine him so that we would know whether he was going to get better or not. The doctor informed us that he was incurable, and gave us a certificate to that effect."

Mr. Gillett opened his secretaire and extracted the document referred to from the lodge records. It read as follows:

As no improvement has taken place for some eighteen months, I have no hesitation in pronouncing him programmently disabled. BRO. GILLETT:
