Consider China Hostile.

the besiegers at Port Arthur."

St. Petersburg, Aug. 24. - The Novosti today says: "Continued violation of neutrality laws in the Chinese ports by the Japanese will compel Russia to regard the Chinese Empire, or, at least, part thereof, as being within the sphere active hostilities. China lacks either the power or the inclination to pre-vent Japanese incursions. The warships of neutral powers idly watch these violations. Therefore the agree ment as to China's neutrality made at the beginning of the war becomes a dead-letter, and Russia must ignore it

in self-defense.'

U. S. Won't Interfere. Washington, Aug. 23. - Under no conditions will American warships take a hand in any trouble at Shanghai or China, between Japan and Russia, or between either of the belligerents and China. They will not interfere to maintain integrity of China, nor even to protect American property or American colony, which is one of the largest of foreign settlements in Shanghai. The dock at which the Russian cruiser Askold is lying, adjoins American concessions, and at-tack on her would amount to bom-by after the ringing of church bells and barding of American colony. If attack is threatened Consul-General the firing of a salute of 10i guns and states that the Japanese armored cruisMontreal the firing of a salute of 10i guns announced the completion of the ceremony.

States that the Japanese armored cruissian founced the completion of the ceremony.
