counts the tale humorously, with the result that both the husband and the wife are sent to Siberia. Tolstoi says this play, his last

message in dramatic form. 15,000 MAY QUIT WORK

The Western Union Telegraph Company Face a Complete Tie-Up. Chicago, Feb. 13.-The country is fac-

through a strike of 15,000 operators in 22 of the chief cities. The railroad telegraph service, the dispatching of trains, and even the handling of the mails also is placed in Jeopardy by the situation which has arisen between the Western Union Company and its employes over the discharge of nine men in the Chicago

offices.

headquarters of the Commercial Telegraphers' Union last night that negotiations looking toward a settlement of the trouble have been abandoned. The dead silence which the company officials here maintained tended to confirm the report. A final effort made in the afterno on the part of the operators to obtain a conference with the company managers was a failure. This was a repeti-

tion of the experience of the operators

on Monday, when their request for the

President Sam J. Small, head of the

nored by the local superintendents.

Announcement went out from the

operators' union, regarded the reception which the committee received at the hands of General Superintendent Cook as so hostile that he called a special conference of the local executive board of the union in the Monon building and advised radical action. He said a strike seemed inevitable The members of the board agreed with him. They said they were ready to

place the matter in the hands of the

For this purpose a special mass

meeting of the Western Union operat-

ors was called for next Sunday after-

national officials of the union.

noon, when such action probably will THEY ARE A POWERFUL NERVINE.—
Dyspepsia causes derangement of the nervous system, and nervous debility once engendered is diffcult to deal with. There are many testimonials as to the efficacy of Parmelee's Vegetable Pills in treating this disorder, showing that they never fail to produce good results. By giving proper tone to the digestive organs, they restore equilibrium to the nerve centers. A novel experiment is about to be tried by the government of Victoria.

tried by the government of Victoria Australia. A sum of \$25,000 has been placed in the administration's estimate for the making of roads by prisoners through the "bush" in unsettled part of the state. Each prisoner who doe his work well will be paid a regular daily wage, the amount to accumulat until his release, when, as the premier says, he "will have a respectable sun with which to make a new start
