# RATE OF 10 P.C. UNPRECEDENTED

Clerks Busy Paying Out Gold and Silver for Notes -Small Exchange Given on American Dollar in London.

[Canadian Press.] London, July 31 .- The banking situation has become so abnormal that it

is understood the British Cabinet, at its meeting today, discussed the possibility of taking measures to prevent a possible panic. The Bank of England was today charging 10 per cent for weekly advances-an unprecedented rate.

A curious spectacle was witnessed there this morning, a long row of clerks and messengers, marshalled by red-coated officials, waiting their turn to convert bank notes into casa. It appears that the joint stock institutions are paying out holilay and to Petervardein. month-end checks in bank notes and sending their recipients to the Bank of England to obtain cash for them. There has been nothing whatever in the nautre of a panic or a run, but officials have been quietly paying out gold and silver since the opening of

the bank this morning. Cable transfers on New York were quoted at \$5.20, and small parcels of coupons, when offered at the banks, were only taken at the rate of 3s. 9d for the dollar.

Discount Rate Increased. London, July 31 .- The Bank of England today increased its rate of discount to 8 per cent. This action was taken by the Bank of England in order to check the outflow
