SPECIAL TO THE DAILY BRITISH COLONIST.

MINING NEWS.

From the British Columbian.

Cariboo.

WILLIAM CREEK, Dec. 4.—The economical, successful and new mode of mining discovered by the Cameron Co. in the winter of 1864, will be generally adopted in Cameron this winter.

The Cameron Co. began to work below last week. The Baby, Dead Broke, Forest Rose, Last Chance, and Moffat Cos. are all preparing to work under ground.

On which is located the Aurora, Sawmill and Ericson claims, and from a few hundred feet of which nearly one million dollars were taken, has always been a mystery to miners.

This gulch has paid, on an average, over \$100 per foot as far as it has been worked. It is expected that more gold will be taken out this winter than has been taken out during any past season.

The Heron Company surpassed itself last week. For the week ending November 17; Monday, 67 ozs \$9; Tuesday, 76 ozs \$4; Wednesday, 52 ozs \$13; Thursday, 147 ozs \$2; Friday, 80 ozs \$6; Saturday, 108 ozs \$4; dividend \$800 to the share.

From Dr. Wilkinson and Mr. Hardie, who left this Creek on the 17th, we learn that a new ledge has been discovered between the Stewart and Washburn in appearance as rich as either. The Stewart have sunk 33 feet in rock beside their ledge.

The firm of Evans Bros. has failed and made an assignment of their estate to their creditors. Liabilities, \$50,000.

THE FENIANS.

Outbreak in Ireland!

NEW YORK, Nov. 28.—At a late hour last night, the World's extra appeared on the streets with exciting news from Ireland. The effect upon the city is unequalled since the news of the great victories of the rebellion.

grams were sent to the circles in distant cities, and intensely enthusiastic responses were received. Stephens, the chief organizer, is invisible. It is confidently believed that he has reached Ireland. The treasury of the Fenians was never in better condition. The Irish of the city kept up a constant call for fresh despatches over the cable.

NEW YORK, Nov. 28th.—The Tribune's Dublin correspondent says that the political excitement has run to an alarming height in Ireland. Every town and village has its full quota of military and gunboats.

LONDON, Nov. 26.—Further arrests of suspected Fenians have been made in Ireland. The national troops are ready to move at a moment's warning. Twelve thousand breech-loading rifles are to be sent by the British Government to Ireland for the use of constables.

LONDON, Nov. 26.—Noon.—The Fenian troubles in Ireland have assumed considerable proportions, and there is no doubt that a serious outbreak has occurred.

The London Times of this morning believes that the chief organizer Stephens will soon arrive at the scene, if he is not already there.

The Globe editorially hints that a more serious trouble with the United States is really at the bottom of the Fenian outbreak.

NEW YORK, Nov. 28.—The World's Queenstown correspondent says that the movement on Canada was really a feint. All the while the object was held steadily in mind to create an outbreak upon the soil of Ireland.

MEXICO. NEW YORK, Nov. 28.—General Sedgwick crossed the Rio Grande, Nov. 22nd, and occupied Matamoros.

PARIS, Nov. 25.—The Hungarian Diet has adopted an address to the Emperor of Austria asking the restoration of the laws of 1848.

CALIFORNIA. SAN FRANCISCO, Nov. 28.—Arrived, Nov. 27.—Ship Silas Greenman, 18 days from Port Angeles, bound to Hongkong, put in for a crew and to repair, having experienced a series of bad weather; the ship is leaking.

NEW YORK, Nov. 30.—It is believed in Montreal that the British Government has refused to pay the Alabama claims, and that Canada will have to look out for trouble with the United States.

LONDON, Dec. 2.—Two regiments of troops have been ordered to leave here today for Ireland. Fenian excitement is on the increase.

LONDON, Dec. 3.—An immense reform demonstration is in progress in this city. It is estimated that there were at least 50,000 persons in the procession.

WASHINGTON, Nov. 26.—Nothing definite has yet been received from the British Government in relation to claims for indemnity growing out of depredations committed on our commerce by the Alabama and other rebel privateers.
