Injured By Biast

NAVY YARD, PUGET SOUND, 19 was struck on the head by a stone hurled in the air by a dynamite blast at the new dry dock site this afternoon. She was hurried aboard the Milwaukee, and after an examination of the wound the doctors announced that she is in no serious danger.

OLYMPIA, Sept. 15.—The O., R. N. \$11,000,000 increase in assessment made by the State Tax Commission, and the doubling over last year of the assessment of the Spokane electric lines have been approved by the State Board of Equalization. The latter board in fact has approved avery board, in fact, has approved every

Montreal's Old Home Week MONTREAL, Sept. 15.—The city of Montreal is thronged with visitors for the Old Home week, which was officially opened Tuesday, and in spite of the fact that thousands of homecomers are staying with friends, the hotels are crowded to their capacity. This is the first event of the kind in Montreal's history. The visitors come

No Encores Desired TACOMA, Sept. 15.—Two tramps took an aeroplane thriller in a box car in a freight wreck at Eatonville. and to the surprise of many who say the accident escaped without a scratch. The car in which the "weary willies" was riding was lifted bodily off the track, hurled twenty-five feet and eased down right-side up on the ground. It was badly smashed and the jar to the tramps inside must have been terrific. Almost instantly the tramps burst from the door and ran like deer through the woods, leav-

their scant luggage in the car.

TORONTO. Sept. 15.—Third Vice-President Hanna of the Canadian Northern Railway, says he knows nothing about the rumored deal between his railway and the Manitoulin and North Shore Railway.

The car, instead of stopping, is alleged to have even increased its speed and to have disappeared into the darkness.

Muscular Christianity Official Ignorance

MONTREAL, Sept. 15.—Before the Royal Commission yesterday Mark Workman, under oath positively denied that he had offered Alderman Clearinue \$3,000 to vote for the contract with the Montreal Light, Heat and Power Company

and Power Company! Vesuvius' Stomach-Ache ROME, Sept. 15.—A despatch from Portici, on the Bay of Naples, to the Giornale D'Italia, says that Vesuvius is again active. Guides report rumblings, followed by slight seismic shocks. The small internal craters have been unusually active in the

New Monoplane UPPER SANDUSKY, Ohio, Sept. 15.—B. Bonney, a hotel man of this place, yesterday made a flight in a monoplane; his own design. In its conmonoplane; his own design. In its con-struction it is along simpler lines than any other air craft, and it was con-trolled readily at first flight. After flying nearly across the Langley meadow, Mr. Bonney descended and in striking the ground broke the tail off the machine entirely.

paved at the present time. The cost of keeping these streets clean amounts to over \$20,000 a year.

Natural Gas Explosion.

HAMILTON, Ont., Sept. 15.—The home of Felix O'Neill was blown up by natural gas yesterday morning. Gas had been escaping into the diningroom from a flexible tube all night, and this morning when O'Neill lit a match to light the gas there was a terrible explosion. O'Neill escaped with no more serious injury than singed whiskers.

Fulton's Steamer Reproduced.

NEW YORK, Sept. 15.—With plain cordwood as fuel, the wall-sided, scow-shaped, stove-pipe funnelled craft in which Robert Fulton navigated the waters of the Hudson river, under steam propulsion 102 years ago, steamed to life again yesterday when the reconstructed Clermont, built for the Hudson-Fulton celebration, had her official speed trial. The distance travelled was six miles and the elapsed time one hour and four minutes. The best record of the Clermont of 1807 was five miles an hour.

HUSUM, Sept. 15.—To kill a large black bear with a shotgun is not a sure thing in this valley. The Sellin-ger brothers of Trout Lake were out hunting for small game a few days TACOMA. Sept. 15.—John Andrews, a handseme young Kanaka, who recently came here from Los Angeles, has pleaded guilty of abducting Grace Stanup, the 16-year-old daughter of the late Peter Stanup, one of the last of the hereditary chiefs of the Puyaliup Indian tribe and one of the richest Indians of the country when he died. Miss Stanup is quite wealthy. Deputy Prosecutor Burmeister has evidence that Andrews conspired with his brother, who married the widow of the decedent chief and mother of Grace, to abduct and marry the girl and then bolt with her ready cash.

HUSUM, Sept. 15.—To kill a large black bear with a shotgun is not a sure thing in this valley. The Sellinger brothers of Trout Lake were out hunting for small game a few days ago and sat down for a rest on top of a bluff. A black bear, weighing about 36 feet from the hunters, when Ben Sellinger blazed away point blank at the animal, putting out both his eyes. But the bear still advanced, and after emptying their pump guns the hunters made tracks for a place of safety. They procured rifles, and killed the emptying their pump guns the hunt-ers made tracks for a place of safety. They procured rifles and killed the

To Teach Tactics WASHINGTON, Sept. 15.—The re-tirement of Capt. Harry E. Mitchell, Fourth field artillery, Vancouver bar-arcks, from active service and his de-and the forme tall as professor of military science and tactics at Washington State College, Pullman, is announced at the war department.

Which will be submitted at a mass meeting of the striking weavers to be held today.

Work For the Willing EVERETT, Sept. 15.—That no man who wants to work need be without employment is the statement made by several millmen and the superintendents of the various city departents. Not enough men can be secured at \$2.50 per day to carry on the improvements now going on about the city.

Reward for Murderers DETROIT, Mich., Sept. 15.—A re-ward of \$6,000 has been offered by the county authorities for informathe county authorities for informa-tion leading to the apprehension and conviction of the person or persons responsible for the death of Miss Maybelle Millman of Ann Arbor, whose dismembered body was found last week in Ecorse Creek, lower De-

Opium Captured MARYSVILLE, Cal., Sept. 15.— Having received information that a large quantity of opium was being smuggled here from San Francisco, the comers are staying with friends, the hotels are crowded to their capacity. This is the first event of the kind in Montreal's history. The visitors come from as far as Dawson to the north and Capetown to the south, many of whom are paying their first visit to Montreal in a generation.

smuggled here from San Francisco, the police placed a watch on a Chinese store which was suspected of being store which was suspected of being for five hours and finally was reward-for five hours. Company. The men were arrested and the package was seized. It proved to contain a large amount of opium hid-den among fish and tobacco.

The "Big Red Car" Case

PORTLAND, Sept. 15.—Warrants in the "big red touring car case" charg-ing murder in the first degree, were issued out of the district attorney's issued out of the district attorney soffice last night, on order of the Multinomah county grand jury, against Frank J. Rodman, manager of an automobile garage, and Mrs. Minnie Maddux. Rodman and Mrs. Maddux were dux. Rodman and Mrs. Mattuda with arrested and are held without bail. The defendants are charged with responsibility for the death of Mrs. Clara "May" Real early in the morning of August 5 last. An automobile in Sudden Death of Architect

Ohio Men Pleased CALGARY, Sept. 15 .- S. Conough, of Springfield, Ohio, spokesman for a party of Ohio landseekers investigat-ing the Bow river valley, said: "In Ohio it has never been our privilege to see stall-fed cattle that compare

with your grass-fed steers, which we have today seen fattening on the open range. The appearance of your crops is such that those who view them immediately desire to acquire land capseen yields that begin to compare in

Very Fine Wheat CALGARY, Sept. 15.—The heaviest mitted to Grain Inspector Hill, who after testing states that it weighs 66 pounds to the bushel. This Alberta Red was grown at Bassano, Bow River valley, and is the finest sample submitted this year to the local grain inspector. The wheat is so full and plump that the Alberta Pacific Elevator Company offers a premium for the entire crop. A few years ago Bassano was famed as a live stock centre; today it provides the province with the heavlest winter wheat. Shipments of grain out of Calgary have ments of grain out of Calgary have averaged about thirty cars dally for the past several days. The crop re-port issued by the Canadian Pacific shows that the Gleichen district will probably give the biggest yields of the province, wheat to date averaging 40

Prairie Tragedy EDMONTON, Alb., Sept. 15.—What may develop, in all probability, into a case of murder and attempted suicide case of murder and attempted suicide took place at section 22, township 55, range six, ten miles north of Nudare, on Monday morning. The parties are S. Zbihly, a Russian farmer and his wife, each about 35 years old, who now lie at the point of death in the Vegreville hospital. Some days ago the man quarrelled with his wife; with whom he has not since lived. On Monday morning the wife, accom-Monday morning the wife, accom panied by another woman, went to the shack. According to the story told, the man is alleged to have at-tacked her with a short axe, cutting ther head in a terrible manner before the horrified gaze of her companion. He then mutilated himself in a fright-ful manner with a jack knife. Zbihly was corralled in the house by his neighbors, and the police were summoned. The woman, still unconscious, and her husband were taken to Vegreville. She cannot recover, but it is thought he may survive.

Stockmen in Conference. CHICAGO, Sept. 14.—Live stock commissioners from all parts of the country are in Chicago attending the thirteenth annual convention of the International Association of Live Stock Sanitary Boards. P. S. Hanner, chairman of the State Board of Live Stock Commissioners of Illinois, in his address of welcome and President W. H. Famous Water-Colorist Dead

NEW YORK, N. Y., Sept. 15.—
James Davis Smillie, a well known artist and engraver, and one of the founders of the American Society of Painters in water colors, died at his home in New York today, at the age of 79 years.

The three men were sitting close by and were deluged with molten metal, brick and scrap iron. The flesh of all three was practically roasted off

Fighting Forest Fires. Fighting Forest Fires.

LOS ANGELES, Cal. Sept. 14.—
Every forest ranger in this district is out with squads of volunteers fighting four forest fires threatening the San Gabriel watershed and the oil region around Whittier. The worst fire is devastating the north slope of Mount Pacific, the highest point in the second tier of the Sierra Madre range. Reports from Mount Wilson say that the fire is the worst in that region in several years and the watershed is in serious danger.

serious danger. Died to Save Others. ergency. The situation is rendered doubly perilous by the present complete disorganization of the railroad systems on account of the results of the recent floods. President Brown, of the Mexican Central has instructed the general manager to place all the resources of the railroad at the disposal of the military authorities in case of emergency. General Bernardo, the political opponent of President Diez, appeared on the main driveway at Monterey last night, dressed as a ranchman. He was applauded by the populace.

Died to Save Others.

PITTSBURG, Sept. 14.—Her life sarvies to asve eleven children, whose ages ranged from 4 to 13 years, cecelia Roach, a 17-year-old high school girl, is the heroine of Pittsburg today. Her body, with that of Bessie Timmons, aged II, lies somewhere in the depths of the Monongahela river, at the foot of the Eighteenth street dam, where she met her death. The tragedy that cost Miss Roach her life and almost resulted in the drowning of a dozen helpless children, goourred at sundown yesterday.
