WONDER IN WELLAND! A Representative Farmer

MR. C. C. HAUN. The following remarkable facts are fully The following remarkable racts are fully certified to as being undeniably correct in every particular. Mr. Haun is well known in the vicinity, having resided here over fifty years, and is highly respected as a man of the strictest honor, whose word is as good as his bond.

as good as his bond.
As will be seen from his letter, four physicians had attended him, and it was only after he had given up hope of cure that he decided to try Burdock Blood. Bitters on the recommendation of a neighbor who had been cured of a similar disease by its use. Mr. Haun writes as

DEAR SIRS,-I think I have been one Dear Sirs,—I think I have been one of the worst sufferers you have yet heard of, having been six years in the hands of four of our best doctors without obtaining permanent relief, but continually growing worse, until almost beyond hope of recovery, I tried your Bitters and got relief in a few days. Every organ of my body burst, discharging fully five quarts of pus in two hours. I felt as if I had received a shock from a powerful battery. My re-sovery after this was steady and the cure permanent, seeing that for the four years since I have had as good health as ever I had. I still take an occasional bottle, not that I need it but because I wish to keep my system in perfect working order. I can think of no more remarkable case than what I have myself passed through, and no words can express my thankfulness for such perfect recovery.

for such perfect recovery. C. C. HAUN, Welland P.O.

In this connection the following letter from T. Cumines, Esq., a leading druggist of Welland, Ont., speaks for itself:
Messrs. T. Milburn & Co., Toronto.

Gentlemen,—I have been personally acquainted with Mr. C. C. Haun for the last 20 years, and have always found him a very reliable man. You may place the utmost confidence in anything he says with regard to your medicine. He has on many occasions within the last four years told me that it was marvellous the way the Burdock Blood Bitters had cured him, and that he now felt as able to do a day's work as he ever felt in his life. Although work as he ever felt in his life. Although quite well he still takes some B. B. B.

occasionally, as he says, to keep him in perfect health.

Yours truly,

THOMAS CUMINES,
