Toronto Markets.

City Cattle Market, Toronto, Nov. 21.—Receipts to-day were 24 cars, with 2,000 head of cattle, 3,700 sheep and lambs, 1,500 hogs and 200 calves.

Receipts of cattle continue large and include more than a fair proportion of light rough stock. The result is that the local abattoirs are pretty well filled up with as much of this kind of stuff that they can very well handle, while the demand for quality is comparatively scarce and insufficient to meet demands.

There is a fairly steady demand from outside points for butcher cattle of medium quality, and from farmers, who are looking for stockers and feeders. In this way, though the market was slow, with a tendency towards easier prices, there is very little stuff left over, or that fails to find an outlet for one purpose or another.

THE STAIRCASE TEST

If You Cannot Pass It Your Health is Failing.

When you suffer acute palpitation of the heart, dizziness or faintness every time you go upstairs; when exertion of any kind leaves you breathless and trembling, it is a warning that your blood is defective—that you are anemic. If these warnings are neglected worse disorders will follow—perhaps decline and deadly consumption. If you are in this condition you need the new, good blood of health that has been given to thousands of sufferers by Dr. Williams' Pink Pills. These pills banish all the ailments arising from poor blood, tone up the system and make weak men and women well and strong. Miss Elizabeth Campbell, Almonte, Ont., says: "I was living in Pembroke at the time my health failed me. I kept going weaker every day until I at last grew so weak I could not walk upstairs without help, and I could not go down street without sitting down and resting. My mother got quite anxious about me and took me to a doctor who said he was quite sure he could restore my health. He gave me a bottle of medicine, and I continued its use until I had taken four bottles, but instead of getting stronger I was growing

weaker all the time, and was only a mere shadow of my former self. My parents believed I was in a decline and could not get better. My mother had heard so much about Dr. Williams' Pink Pills that she decided I ought to try them. I did not notice much change until I had taken five or six boxes, when a decided improvement set in, and from that on I grew stronger and stronger each day, until through a continued use of the pills I was back to my old-time health and strength. I believe Dr. Williams' Pink Pills the best remedy on earth for sick people, and cannot too strongly urge other weak girls to give them a trial."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
