**County Council Outing and Banquet**

The outing and banquet under the auspices of the Lambton Municipal Men's Association was held on Thursday, the 7th instant and proved a great success. The party numbering about sixty left Sarnia by fifteen automobiles headed by the car of S. L. McKay containing the Provincial Secretary Hon. W. D. McPherson, Warden J. B. Woodhall, W. Nesbit, president of the Municipal Association, R. J. McCormick, ex-M. P. for East Lambton. The drive along the river road was very enjoyable. The first stop was at Courtright where the party was treated to a spread on the lawn at the residence of Reeve Whitsett. The next stop was at Bridgen where a strawberry luncheon was served by the ladies at the residence of Reeve Shaw and the Bridgen band played several selections. Arriving at Petrolia the party were royally entertained on the beautiful grounds of the Englehart Hospital. Mayor McKobie made an address of welcome followed by several short addresses. The return to Sarnia was accomplished about half past eight and arriving at the Hotel Northern a sumptuous repast was served by the genial host H. Sanders. The chair was taken by William Nesbit. On his right was the warden and on his left the Hon. W. D. McPherson, Provincial Secretary. The following is the toast list with the responses; Chairman's address, W. Nesbit; King, Empire and Flag, John Farrell, R. Stirrett; Dominion of Canada, Charles Jenkins, Rev. McLellan; Army and Navy, Dr. J. A. Bell, F. W. Wilson; Our Allies, American Consul Col. Slater, Neil McDougal; Province of Ontario, Hon. W. D. McPherson; County Councillors, Past and Present, Warden Woodhall. The officers of the association were re-elected for the ensuing year. A vote of thanks was tendered H. Sanders for his hospitality and for his organization of the outing and banquet. Also a very hearty expression of thanks was tendered

ed to His Honor Judge MacWatt for his excellent historical booklet of the county of Lambton. It was also suggested that the County Council should ask Judge MacWatt to accept the office of County Historian so that he could add to the records from time to time. It was the opinion of all present that the outing and banquet on this occasion was most successful and enjoyable. The roads were very good considering the heavy rainfall of the previous weeks and the weather was delightful, although somewhat cloudy at times. The addresses were without doubt the best that have been heard at any similar function in many years.

Hon. W. D. McPherson is a native of Mooretown and had not until that day visited that place in 40 years. He thoroughly enjoyed the day's outing.

**Letter From Pte. W. O. Zavitz**

DEAR MOTHER AND FOLKS:

I have not been able to keep my promise of one letter a week because I have been very sick with pneumonia and have been unable to eat. It certainly is a treat to get writing again although I am writing this in bed. I am too weak to sit up alone yet.

The pneumonia started with a cold and then I went on a heavy route march and that finished me. When I was brought to the hospital my temperature was 104.4, so I was pretty sick. I was put in a special ward with a nurse and the doctors with me all the time. I was delirious for awhile and I guess they didn't expect me to get better. They had to pump oxygen into my lungs and when I coughed it hurt terribly.

They had the gun carriage at the door ready to take me to the graveyard, but I fooled them this time. The Good Lord has saved me another time and I believe He will take me back to Canada some time.

I got the money you sent alright but you need not send any more for awhile.

This will likely set me back from going to France with the other boys as I will be here for three or four weeks yet. There are some fine Canadian nurses here. One nurse came from Ridgeway, Ontario. She is awfully good to me because I was her first patient in England. She says it is like going home to come in to see me and I think so too.

S. G. Williams from Alvinston is in the same hospital as I am and he comes in to see me every day. He and another fellow wrote you people about me being sick but it is nothing like writing yourself.

I should think you would have some of my letters by now. The mail service is very uncertain and you cannot tell how long it will take a letter to go.

I got a letter from Fattie and she said she was going to send me some magazines. Tell her that we can buy them here but we never see the Watford or Toronto papers here, so send some Canadian news as soon as possible.

I get plenty of good things to eat here and I am quite contented, which seems strange when I consider I am away over here so far from home and anybody I know. I do not get lonesome because I think that I have to get used to it and that is all there is to it.

Well, this is all for this time as some of the boys have come in to see me I will write again as soon as possible. The doctor was just in and said I was getting along fine.

I hope this finds you all in the best of health and spirits with best love, from  
WARD.

**Canadian Losses For Past Year**

Ottawa, June 11.—The Canadian casualties at the front between June 30, 1916 and June 5, 1917, totalled 65,549. The number of recruits secured during that period totalled 74,510.

The casualties from February 1, 1917, to April 30, 1917, total 17,645, and the enlistments during that period were 19,584.

**LINGERING WEAKNESS  
FOLLOWING DISEASE**

Banished by the Wonderful Tonic Powers of Dr. Williams' Pink Pills

How often victims of disease such as influenza, fevers, or contagious troubles are left weak, ailing and despondent after the disease itself has disappeared. They do not pick up strength as they ought; remain listless, tired and discouraged. The reason for this is that the blood has been impoverished by the ravage of the disease through which the return until the blood has been enriched. The blood can be purified and enriched by no other medicine as quickly and as surely as by Dr. Williams' Pink Pills—to enrich the blood and strengthen the nerves is the whole mission of these pills. Thousands have found them beneficial in bringing strength and energy after disease has left them weak and run down. Miss Hannah Hamilton, Everett, Ont., says:—"After an attack of la grippe I was so run down and anaemic that I could scarcely walk. I had no color, no appetite, and constant headaches. The medicine I was taking was doing me no good and I had almost lost hope of getting better. I was asked to try Dr. Williams' Pink Pills, and it was not long until I could feel that they were helping me, and after taking them for a couple of months I was completely cured. I now never fail to recommend these pills to anyone needing a blood-builder."

You can get these pills through any dealer in medicine or by mail post-paid at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
