**"Cream the butter with the sugar"**  
—the Cook-Book says

"OH, come on, Mabel, I want to go shopping. It needn't take all afternoon to make a cake! Here, let me cream the butter and sugar. Watch how quick I can do it! If you'd ever used Lantic before you'd realize how quickly a fine sugar creams."

Lantic is a quick-acting sweetener, because it is fine. It distributes the pure cane sweetness speedily, thoroughly and economically. It saves time in the preparation of cakes, puddings and sauces, in the cooking of preserves, in the making of candy, in the sweetening of beverages, hot or cold. Not whiter are the snowy doilies and serviettes on the mahogany table than the tiny crystals of Lantic that gleam and glisten in the sugar bowl. Not finer is the silver with its hall-mark. Yet, in homes where every penny counts, Lantic goodness helps in the saving. It does go farther!

### DRAWING ON YOUR RESERVE STRENGTH

This is What Thousands of People Throughout the Country Are Doing.

Thousands of Canadian housewives are working from day to day on their nerve. They are daily drawing more and more on their reserve strength, knowing full well that they are using up that vital force which often means life or death in the crisis of disease. They are the victims of a feeling of hopeless exhaustion after the performance of even the smallest tasks which were once the simplest and easiest parts of the day's work. They find the appetite failing, sleep is disturbed and unrefreshing; they lose weight, and always feel tired and depressed. In this condition a blood-building tonic is needed to restore health and activity, and for this purpose Dr. Williams' Pink Pills are unsurpassed. Often the trouble will have progressed to a point which makes full recovery slow, but the treatment should be persisted in and renewed health and activity will be the result.

The case of Mrs. W. Schooley, R. R. No. 2, Tilsonburg, Ont., well illustrates the value of Dr. Williams' Pink Pills in cases of health breakdown through weak, watery blood. Mrs. Schooley says: "For upwards of five years I felt my strength declining, until at last I could not do light chores around the place. Then a doctor was called in and after doctoring about a month he said that only an operation would help me. I did not feel like going through this, and decided that in any event I would wait a while. I had no appetite, often had headaches accompanied by dizzy spells; several times I had fainting spells, and my legs would swell, and I could not even sweep a floor without resting several times. Again a doctor was called in and he said the trouble was general debility and nervous breakdown. The treatment however did not help me, and then one evening as my husband was reading the paper he came across a case in many respects similar to mine, cured through the use of Dr. Williams' Pink Pills. The next day he got me a supply of the Pills and to their continued faithful use for several months I owe my present splendid health. I may say that soon after beginning the use of the Pills I felt a gradual improvement in my condition, my appetite improved, I began to feel rested after a night's sleep and I gained in weight. My friends were continually expressing surprise at my improved condition, as it was generally believed I had become a chronic invalid. I always take a delight in telling them that Dr. Williams' Pink Pills are responsible for my present good health, and as they have been a real blessing to me I shall always continue to praise them."

If you are suffering from any condition due to poor, watery blood, or weak nerves, begin taking Dr. Williams' Pink Pills now, and note how your strength and health will improve. You can get these Pills through any dealer in medicine, or they will be sent by mail, post paid, at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

### THOUGHTS ON MY FRIEND ROBERT O. SPALDING

Who Died September 11th, 1920.  
Dear friend and brother, how I miss thee.  
One whom I learned to trust,  
We miss thee in the Bible class,  
We miss thee in the pew we pass,  
We miss thee everywhere! Alas!  
The best of us is dust.  
When we discovered what we liked,  
And found we had a friend,  
We had not time to say goodbye,  
Almost like lightning from the sky,  
It caught our prize and passed us by,  
And stung us in the end.  
But Oh, we're glad we ever met  
And had communion fine,  
Basked in the sunshine of his grace,  
Within his heart we held a place,  
Enriching us; while we could trace  
Some features that's divine.  
Those high ideals that he loved,  
And valued very high;  
His soul has gained that blessed  
height,  
His eye must revel in that light,  
His faith has won! and lost in sight,  
He knows the reason why.  
Our friends are passing on before,  
We sadly say goodbye,  
We could not ask them back again  
To suffer the old ache and pain,  
Although we wished them to remain.  
They're better far on high.  
'Tis us the living, that's bereaved,  
We have the wounded heart,  
We feel the burden of the years,  
Experiencing a vale of tears,  
The worries, cares, and many fears,  
We also would depart.  
W. B. LAWS,  
Watford, October 11th, 1920.
