"Fruit-a-lives" Cleared Her Skin

POINTE St. PIERRE, P.Q.

"I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good.

Then, I used one box of "Sootha-Salva" and two boxes of "Fruit-a-lives" and my hands are now clear. The pain is gone and there has been no return. I think it is marvellous because no other medicine did me any good until I used "Sootha-Salva" and "Fruit-a-lives", the wonderful medicine made from fruit.

## How Furniture sales are being increased

by Long Distance

Some quotations from recent reports:

"Some of our Commission travellers have made as high as \$20.00 a day by using the telephone, without leaving their chairs."

"We respond to every letter of enquiry with a telephone call, as it enables us to close a deal, give advice or secure information immediately."

"L.D. is an essential part of our system for both buying and selling. Almost as good as a personal contact."

"We use L.D. to make collections."

"Much of our furniture is bought by Long Distance."

We can tell you how to apply Long Distance to almost any business

## Lambton County Plowing Match

Petrolia, Oct. 26.—Although the morning was showery the day turned fine and clear for the Lambton County Plowing match held here today. The Lambton Plowmen's Association was organized in 1919 and in the short time it has been in existence its annual match has become an event of great importance and has noticeably increased the interest taken in horse and tractor plowing. About 4,000 spectators were present to witness this third annual match. The classes were all completed for and exceptionally good work was done in the young men's classes.

J. Lockie Wilson, general manager of the Ontario Plowmen's Association, was present, and James McLean acted as judge. The awards are as follows:

Class 1, in sod, plain plows—Jas. Young, Christina, 1; John Williamson, Watford, 2; John Nupmabin, Sarnia, 3; Percy Smith, Petrolia, 4. Class 2, in stubble, plain plows—Chas. Rowe, Camlachie, 1; Wm. Taylor, Alvinston, 2; Thos. Switzer, Alvinston, 3; Geo. Stamm, Petrolia, 4.

**The Banquet**  
The kindly hospitality of the townspeople of Petrolia was evidenced at the banquet which took place in the old Stirrett store in the evening, under the auspices of the Petrolia Chamber of Commerce, at which 150 guests partook of a very pleasing repast prepared by the ladies of the hospital auxiliary. One of the features of the evening was the universal commendation by the speakers of the manner in which the ladies provided for and attended to the needs of their guests. W.H. Dowling, president of the Petrolia Chamber of Commerce made a very capable chairman for the evening.

### Guest of Honor

The guest of honor was J. Lockie Wilson of the Department of Agriculture, Toronto, and a director of the Ontario Plowmen's association. Mr. Wilson's address was a feature of the evening. A number of excellent speeches were heard from B. Fansher, M.P., East Lambton, Johnston M. MacAdams, of Sarnia, Leslie Oke, M.P.P., East Lambton, J. M. Webster, M.P.P., West Lambton, Nicholas Plain of the Sarnia Indian Reserve, J.E. Armstrong, ex-M.P., for Lambton East, Jas. Peat, Petrolia, John Fraser, Petrolia, Jas. McLean of York County, director of the Provincial plowing association, and judge of the plowing, Roy Abraham of Chatham, W.J. Weed of Alvinston, president of the Lambton Plowing association, Warden Davis of Lambton County, Mayor Preston of Petrolia and others.

Throughout the evening the speakers emphasized the importance of encouragement to the farmer to plow a straight furrow, the plow being the foundation of the farm home and the nation, and particularly the need for co-operation and clearer understanding between the rural and urban dwellers.

The prospects of the next annual meeting of the Ontario plowing association for Lambton County received the attention of a number of speakers the possibilities being considered excellent. In this connection Johnston M. MacAdams a director of the Sarnia Chamber of Commerce in a nice speech described the visit of Sarnia representatives to the Provincial meet at Lindsay and the manner in which the attention of the directors of the association and everyone present was brought to the desirability of holding the 1923 meeting in Lambton County.

## Weddings

LUCAS—ANDREW

A very pretty wedding took place in St. Mary's Anglican church, Regina, Sask., Monday night, Oct. 23, at 7.30 when Miss Anne M. A. Andrew became the bride of Arnold Lucas, son of Mr. and Mrs. Absalom Lucas of Watford. Rev. W. C. Western performed the ceremony, and the bride was given away by E. G. Hingley. Miss E. M. Cowan played the wedding march. The bride was attractive in a suit of reindeer velvet, seal trimmed, with handsomely beaded blouse of electric blue, and dainty hat to match. She carried a beautiful shower bouquet of blush roses. Mrs. Ronald Hosegood, who was matron of honor, was attired in pekin blue broadcloth and carried a bouquet of pink carnations and fern. Mr. Hosegood was best man. After the ceremony a reception was held at the home of Mr. and Mrs. E. G. Hingley, 2900 Regina avenue, where between 50 and 60 guests were received. The table honors were performed by Mrs. Murdo Cameron and Mrs. C. W. Rogers, assisted by the Misses Vera Mitchell, Dorothy Withy Louise Holbrook, and Constance King, and Mrs. L. W. Spence. The guests from out of town were: R. Lucas, of Imperial; Norman Andrew, Hodgeville; Mr. and Mrs. A. E. Wilson, Indian Head; Miss Vera Mitchell of Pense, and Roy Anderson, Stilton. Many handsome gifts were received by the bride, and the gift to the matron of honor was a gold brooch; to the organist an onyx brooch; and to the best man a gold scarf pin. Mr. and Mrs. Lucas left amid showers of confetti and good wishes for a short honeymoon, and later will reside at 2257 Quebec street, Regina.

A few years ago Dolph Fox, of Olinda, planted seven or eight English walnuts. It was soon noticed that six little trees were peeping through the ground. They were carefully watched and cultivated, and this fall the first crop of nuts was gathered amounting to about five bushels. The trees are only about half grown and it is said from now on they will produce from three to five bushels to the tree each year.
