The Subscribers have been induced to take this
step from a conviction that the people of St.

the view of affording this desideratum, a partner
of the Establishment has visited the European

vantages, a stock of Goods, which for taste, varie-
ty, quality, and CHEAPNESS, cannot be sur-
passed by that of any house in the Province. It
would be impossible in the limited space of an ad-
vertisement, to particularize, but on inspection it will
be found to contain everything that is supplied by
the most extensive houses in the first cities in B.

**THE ALL-HEALING
REMEDY!!!
Holloway's Ointment.**

A most astonishing cure of Scrofulous Ul-
cers—a case, certified by the Mayor of
Boston.

Copy of a letter from J. Noble, Esq., Mayor
of Boston, Lincolnshire,
To Professor Holloway.

Dear Sir,—Mrs. Sarah Dixon, of Liquor-
pond street, Boston, has this day deposed
before me, that for a considerable time she
was severely afflicted with Scrofulous Sores
and Ulcers in her arms, feet, legs, and other
parts of her body: and although the first
of medical advice was obtained, at the cost
of a large sum of money, she obtained no
abatement of suffering, but gradually grew
worse.

Being recommended by a friend to try
your Ointment, she procured a small pot,
and a box of the Pills, and before that was
all used, symptoms of amendment appeared,
she persevering with the medicines for a
short time longer, according to your directi-
ons, and strictly adhering to your rules as
to diet, &c., she was perfectly cured, and
now enjoys the best of health.

I remain, dear Sir, your's truly,
(Signed) J. NOBLE.

An extraordinary and rapid cure of Erysip-
elas in the leg, after medical aid had
failed.

Copy of a letter from Mrs. Elizabeth Yeates,
of the Post Office, Aldwick Road, near
Brighton, Sussex, dated Jan. 12th, 1853.
To Professor Holloway.

Sir,—I suffered for a considerable period
from a severe attack of Erysipelas, which
at length settled in my leg, and resisted all
medical treatment. My sufferings were
very great, and I quite despaired of any
permanent, when I was advised to have re-
course to your Ointment and Pills. I did
so without delay, and am happy to say the
result was eminently successful, for they
effected a radical cure of my leg, and re-
stored me to the enjoyment of health. I
shall ever speak with the utmost confidence
of your medicines, and have recommended
them to others in this neighbourhood simi-
larly affected, who derived equal benefit.
I am, Sir, your obliged and faithful servant,
(Signed) ELIZABETH YEATES.

A dreadfully diseased Ankle cured after
being given up by the Faculty at Malta
and Portsmouth Hospitals.

The following important communication
has been forwarded to Professor Holloway
for publication, by Mr. B. Dixon, Chem-
ist, King st. Norwich.

Copy of a letter from Captain Smith, of
Great Yarmouth, dated January 19, 1853.
To Mr. Dixon.

Dear Sir,—I send you the particulars of
a cure effected by Professor Holloway's in-
valuable medicines.—Mr. John Walton,
late in Her Majesty's Service, in the British
fleet at Malta, had a very bad ulcerated
ankle, and after being in the Malta Hospital
for six months, was sent to England as an
invalid to Portsmouth Hospital, where he
remained six months, and there, as
at Malta, refusing to have the limb amputat-
ed, he was turned out incurable. He then
came to Yarmouth, and was under a medi-
cal gentleman for about three months but
his ankle became so much worse that all
hope was lost. At this period, by my advice
he tried Holloway's Ointment and Pills,
which by unremitting application, heal-
ed all the ulcers, and restored him to per-
fect health and strength.

I remain, dear Sir, your's very truly,
(Signed) JOHN SMITH.

Surprising cure of a bad Breast, Nervous
Debility, and general ill health.

Copy of a letter from Mr. T. F. Ker, Chem-
ist, &c., Lower Moss lane, Manchester,
dated Feb'y 12th, 1853.

To Professor HOLLOWAY.

Dear Sir,—I have great pleasure in for-
warding to you the particulars of a very
extraordinary cure of a bad breast, effected
solely by the use of your celebrated Oin-
tment and Pills. Mrs. Maria Bell, of Pit-
street, in this town, had been for a con-
siderable time labouring under nervous debi-
lity, loss of appetite, and general ill health,
occasioned by ulcerated wounds in the
breast. She had much experience in the
use of all the known remedies for the cure
of ulcers, but without any beneficial result,
in fact she had nearly lost all faith and
hope of a cure being effected. In this dis-
tressing and painful condition of body and
mind, she was persuaded to have recourse
to your invaluable Ointment and Pills,
which she immediately did, and in the
course of a very short time the effect pro-
duced was most astonishing; her appetite
was speedily improved, the sores and ulcers
in the breast gradually healed, and the
nervous excitement of her system was
wholly removed.

I remain, dear Sir, your's faithfully,
(Signed) T. FORSTER KER.

Ointment in most of the following cases:
