## THE WAR DRAWING TO A CLOSE.

### Germany Now Alone Deserted by Her Last Ally

Austria is now out of the war, an armistice being signed with her by the Italian commander-in-chief on Sunday, which went into effect Monday afternoon at three o'clock. The terms of Austria's unconditional surrender are more drastic even than those agreed to by Bulgaria and Turkey and show to Germany her coming fate. Over three hundred thousand Austrians were captured by the victorious Italian armies before the armistice went into effect, and thus the soldiers of a once powerful empire have laid down their arms, and the Italians are thrilled with pride. Germany has been deserted by her last ally and now fights alone. The Allies' armistice terms have been sent to Germany, and just what Germany will do is a matter of speculation. If she accepts them, the war is over, leaving the immediate end of the war, leaving final peace terms to the dictation of the victors. Another great drive by the British and French in conjunction with each other is now in progress resulting in the liberation of many villages in France and Belgium and the capturing of much equipment and cannon.

## FATAL ACCIDENT IN HALIFAX

### Margeson Weir Fell Off the Pier at the Terminals

Margeson Weir was found dead with compound fracture of the skull, at the Halifax terminals Saturday morning. It is thought he fell from the pier where he was working. The sad affair has cast a gloom over the village of Hampton, where he leaves a widow and four children. The deceased, who was 37 years of age, was an industrious resident of Hampton and a member of the Baptist church in that village. Besides the above he is survived by his mother in the U. S. and two brothers, James of Montreal, who formerly resided in Bridgetown, and Arch in Centreville, Digby County. The remains arrived via yesterday's express and were conveyed to Hampton, where interment took place in the Baptist cemetery the same afternoon. Much sympathy is extended to the bereaved ones.

## County Court

The regular November session of County Court opened in Bridgetown yesterday morning Judge Grierson presiding.

Besides the members of the local bar the following were present: J. A. McLean, K. C., Bridgewater, and F. W. Harris, Annapolis.

## Our Advertisers.

A number have asked us why Bridgetown merchants are not running Victory Bond ads., similar to those being inserted by merchants from the neighboring towns. The space belongs to the advertiser. We are ready to change the advertisement without cost to the advertiser, providing the copy reaches us before Monday noon. We are also ready to sell advertising to contributors at transient rates. We have been assisting free readers for months and assisting the loan in every possible way.

## Removals This Week.

Messrs. Tupper & Chute, who recently purchased the Ainslie Foster store on the west side of Queen street, are now occupying their new premises, which have been remodelled especially for their ice cream, confectionery and grocery business. Back of a spacious ice cream parlor is a kitchen, containing a large refrigerator, etc., opening from which is a large store room. Messrs. Tupper & Chute have also purchased a small building from W. A. Warren and moved it back of their business block. This will be used as an engine room in connection with the manufacture of the ice cream, etc.

Mr. Thos. Marshall, custom tailor, is now occupying the store next door to the Primrose Theatre, vacated by Messrs. Tupper & Chute and Mr. Elias Ramey, meat and provision merchant, has moved his business to the store on the corner of Queen and Albert streets, vacated by Mr. Marshall. We wish these men combined with liberal newspaper advertising, will no doubt receive a good portion of the trade.

## Berries Out of Season

Mrs. Laura Bishop, of Central Clarence, has our thanks for a quantity of ripe raspberries and strawberry blossoms. Mrs. Bishop, under date of Nov. 4th, writes the MONITOR as follows: "The raspberries were picked this morning. I picked a good dish for three persons each in my kitchen garden, and have sent a dish to the sick two or three times in October. Who can beat this for raspberries? The strawberry bunch was picked Nov. 2nd."

Miss Grace Sabine, of the Power House, Bridgetown, also presented us Monday with ripe raspberries and strawberry blossoms.

## IMPORTANT!

### Board of Health Notice

As the epidemic of Influenza is spreading rapidly in this county, many cases not reporting and some not very ill, are visiting their neighbors and spreading the disease broadcast. I hereby give notice that no public gatherings, which include church meetings, schools, lodge and society meetings are allowed in the County and no visiting from house to house that is not absolutely necessary to house that is in this serious state of affairs is past for these house gatherings are now very much to be dreaded.

Every case of even a slight cold is considered this same infection, and the next case may be very severe. No other form of gripe is now prevalent, that is every case of gripe must consider themselves under quarantine until five days after all symptoms subside.

I wish to state that in connection with the above notice that in some parts of the county the epidemic appears to be quite well spent while in others it is worse than when the above notice was issued last week.

For this reason the local Boards of Health in the various districts (Councilors are chairmen) will allow, if they think proper, the trustees to close the schools in their districts. Churches may also be opened and other public gatherings permitted.

Signed—  
W. S. PHINNEY, M. H. O.,  
Municipality of Anna Co.,  
Lawrencetown, Nov. 5, 1918.
