"MILLIONS NOW LIVING WILL NEVER DIE"

(Published by Request)

The regeneration of the human race has been the hope of Christians for centuries, which hope is based upon God's promise. To Abraham he said: "In thy seed shall all the families of the earth be blessed." (Genesis 12:3; 22:18). This promised blessing is life everlasting.—Romans 6:23. The opening chapters of the Bible tell of the creation of perfect man in the image of likeness of God, and his habitation in a perfect home, Eden; of his violation of the divine law and his sentence to death. By inheritance all of his offspring have been born imperfect, therefore sinners, and in a dying condition. (Romans 5:12). God made promise to redeem man from death (Hebrews 9:15), this redemption to be accomplished only by the willing sacrifice of a perfect man. God sent his Son Jesus into the world for that purpose. (John 3:16). He came to ransom man from the power of the grave (Matthew 20:28), that the people might have life. (John 10:10). He died for the benefit of all men (Hebrews 2:9), which testimony must be given to all men in God's due time. (1 Timothy 2:5, 6). At that due time every man shall hear the truth taught by Jesus, who promised: "If a man keep my saying he shall never see death." (John 8:51). There must be a due time for all men to hear these truths before they can be kept.

The first six verses of Revelation 21 tell of a time coming when there will be no more death, and which time is stated to be during the reign of Christ. "He (Christ) must reign till he hath put all enemies under his feet. The last enemy that shall be destroyed is death."—1 Corinthians 15:25-26. It is evident from the foregoing Scriptural proof that there must come a time when the people will have an opportunity for life, peace and happiness. The question is, When? St. Peter answers this question, saying: "Times of refreshing shall come from the presence of the Lord; and he (God) shall send Jesus Christ, who before was preached unto you, whom the heaven must retain until the times of restoration of all things, which God has spoken by the mouth of all his holy prophets since the world began. Yea, and all the prophets from Samuel and those that follow after, as many as have spoken, have likewise foretold of these days." (Acts 3:19-21, 24).

This statement conclusively proves that at the second coming of Christ and during his reign the obedient ones of the human race will be restored to exactly what Adam lost, viz., perfect manhood and a perfect home. Twenty-four of the holy prophets of Jehovah foretold the coming time of such restoration of men. These prophets spoke with divine authority. The disciples of Jesus, knowing of the testimony of these holy prophets and of the coming time of restoration propounded to Jesus this question: "Master, tell us how may we know of the time of thy presence and of the end of the world." (Matthew 24:3). The answer of Jesus to this question was clear and conclusive, understandable by men when the events mentioned by him should be fulfilled. The answers shows, in connection with other Scriptures, that the end of the world and the setting up of Messiah's kingdom will mark the beginning of the restoration of man, and from that time forward millions of people living on the earth will never die.

The first important question, then, is, What is meant by the end of the world and when does it occur? World means social and political order enduring for a certain time. The lease of gentle dominion began, according to Bible chronology and history, 606 B.C., was to continue for 2,520 years, and necessarily ended in 1914, which marks the end of the present order, at which time its disintegration should be expected. Jesus stated when that time arrived there would be a world war, famine, pestilence, and revolutions in various parts of the earth, marking the beginning of the world's ending. All these things have been fulfilled since 1914, and the famine and revolutions are still in progress.

He further stated—and this corroborated by many of the prophets—that the return of the Jews to Palestine would be an additional evidence of this great time of the world's end. This fact is also now accomplished. Additionally he said that during the period of the end of the world there would be upon the earth distress of nations, with perplexity, men's hearts failing them for fear of what they see coming upon the earth. This is now in progress.

As a further evidence he stated that his followers, loyal and faithful Christians, would be hated of various nations for his name's sake and would be persecuted. This was also fulfilled during the world war, and many Christians in Austria, Germany, Great Britain, Canada, the United States, and other places, were severely persecuted. The greater portion of this persecution was because of the publication of "The Finish! Mystery", which explains the book of Revelation

In 1916, I saw in an advertisement that "Fruit-a-tives" would stop Rheumatism and took a box, and got relief; then took "Fruit-a-tives" right along for about six months and I have never felt my Rheumatism since." written by St. John while he was serving a term in prison on a false charge of sedition. Hundreds of thousands of copies of "The Finish! Mystery" are now in the hands of the people.

Another important date God has made clear through the prophets. When the children of Israel entered the land of Palestine in the year 1575 B.C., God required them to count time from that date forward, and to keep every fiftieth year as a Jubilee; and commanded that these Jubilees should be kept for seventy periods, which would be equivalent to a total of 3,500 years. St. Paul shows that these things were types or shadows. The Jubilee periods typified the thousand-year reign of Christ, which would begin at the time of his second presence and at the end of the world, during which the obedient of mankind must be restored. A period of 3,500 years beginning in 1575 B.C. of necessity will end with 1925 A.D. It is therefore confidently expected from the Scriptures that 1925 will mark the end of wars, famine, pestilence, revolutions, anarchy, and general disturbances, and that the restoration of man will progress from that time forward.

Millions of people now living on earth reasonably expect, in the ordinary course of events, to live ten or fifteen years. Coming to a knowledge and thereafter, through to a knowledge of the truth and being obedient to truth, will live on the earth forever in a state of happiness. The earth will gradually be improved, the deserts made productive, the whole world become a fit habitation sufficient to support the entire human race with abundance.—Isaiah 35: Ezekiel 36:24, 25.

The seed of Abraham according to the promise consists of Christ, Jesus the head and the church his body. (Galatians 3:16, 27, 29; Colossians 1:18). These are the ones who have been selected from amongst men from Pentecost until Christ's second coming. These are the ones who are properly designated as Christians, and whose eternal dwelling place shall be in heaven; and through this class the blessing shall be extended, according to God's promise, to all the families of the earth.

Jesus declared that this message of the kingdom shall, at the end of the world, be preached unto all nations for a witness, and then the end of the world will be complete. This is a message of comfort because it announces the end of the present unrighteous order, the incoming of the kingdom of peace, justice and righteousness, and the time for the giving of life everlasting to the obedient ones of earth. The message "Millions Now Living Will Never Die" during the past twelve months has had the greatest circulation of any book ever published in a like period of time. This book, together with "The Finish! Mystery" and "Can The Living Talk With The Dead?", are now being placed by the International Bible Students Association in the hands of the people, and at such price that every one can afford them. They contain a message of hope and comfort to the groaning creation.

It is better to have a shrinking disposition than to have a shrinking bank account.

IN MEMORIAM

(Lines on the Passing of Mr. J. F. Shafter, Oct. 12, 1921) Sad tidings reach our ears to-day That one so loved has passed away To join the throng across the sea From pain and death forever free.

Just when the night had changed to-day, When daylight's gleam sent forth its rays, The weary spirit took its flight Exchanging earth for realms of light.

The reason why, we cannot tell, But Jesus doeth all things well; And tho' sad hearts are filled with grief, His loving arms are underneath

To comfort those who mourn and weep, And whisper words of comfort sweet; To beckon on to Mansions fair, And bid them meet their loved one there.

'Tis hard for the loving wife to bear The grief that none on earth can share; To bear life's cares from day to day, And know the loved have passed away.

For the aged mother whose aching heart In earthly sorrow before had part; She soon will meet her angel boy In realms of bliss without alloy.

For the children five who now are left In early life to be bereft Of loving father's tender care Who ever did their burdens bear.

Whenever business cares oppressed He kept it all within his breast; And round the fire side's warmth and light He mingled with them sweet and bright.

Tho' now no more his face they'll see, We fondly hope his spirit free Yet lingers round his loved ones here And tho' apart, yet ever near.

PUNISHMENT FOR RUTH IS PENDING

Chicago, Oct. 26.—Babe Ruth, home run king, will know his penalty for violating the rule against post-season barnstorming by world's series players in about two weeks, it was learned here to-day. Judge Landis, baseball commissioner, is now preparing his decision, it is understood.

The Judge said to-day he had seen nothing but newspaper reports of a proposed visit from Ruth to apologize for violating the rule, and in any case Ruth's apology would have no bearing on the Judge's decision. Suspension for a part of the next baseball season was reported to be under consideration as Ruth's punishment. A short time ago, but Judge Landis refused to give any indication of his decision in advance of his announcement.

NOTABLES SAIL ON THE OLYMPIC

London, Oct. 26.—Lord and Lady Lee, of Fareham, with an advanced party of the British delegation to the Washington conference, including Admiral Chatfield and other naval officers and Srinawasa Sastri, the Indian delegate left Waterloo station this morning and Southampton whence they will sail for the United States on the steamship Olympic.

A large party of friends were at the station to bid them farewell. These included George Harvey, the United States Ambassador; J. Wilson Taylor, and other representatives of the British Foreign Office. Wellington Koo, the Chinese delegate, with his wife, and a staff of Japanese military representatives, also will travel to the United States on the Olympic.

ANOTHER DRIVING ACCIDENT

The Wolfville Acadian says: "Mr. W. B. Eaton, of this town, met with a very serious accident on Monday of this week. He was riding down a steep hill near Lawrencetown, Annapolis County, on his bicycle, when the front wheel suddenly collapsed, throwing him with considerable violence. He was rendered unconscious by the fall, and regained consciousness in a neighboring house to which he had been carried. Mr. Eaton was considerably scratched and bruised about the face, and had a fortunate escape from much more serious injury. He is recuperating at his home in Wolfville for a few days."
