THEY LIKE IT IN THE STATES

Although the firm of J. E. Morse & Company have not catered much to trade outside the Maritime Provinces, there are many people in central parts of Canada and in the United States who write to Halifax from time to time to get a supply of MORSE'S SELECTED ORANGE PEKOE TEA.

Usually the parties so writing are people who have visited the Maritimes and having carried back with them a recollection of the bouquet and winy flavour of MORSE'S SELECTED ORANGE PEKOE, have not been content until they could get some of it for their use at home. It does not need to be said that it is quite a tribute to the quality of MORSE'S TEAS that such enquiries should be received. MORSE'S SELECTED ORANGE PEKOE is Canada's Tea de Luxe and at 70 cents per pound is a special bargain. Some blends claimed to be of corresponding quality are sold as high as 75 and 80 cents. In fact, at 70 cents a pound MORSE'S SELECTED ORANGE PEKOE is economical in view of the high prices of the run of package teas.

Today Baddeck was honored by a visit from Rt. Hon. J. Ramsay MacDonald, Premier of Great Britain, and his daughter Ishbell. The party also included Senator J. S. MacLennan, his daughter Miss Katharine of Sydney and Mr. George Graham of the Canadian Pacific Railway. Mr. MacDonald and his friends were entertained at luncheon by Mr. and Mrs. F. W. Baldwin, after which they visited the tomb of the late Alexander Graham Bell, inventor of the telephone.

During the afternoon they visited the site on the Court House square of the monument now being erected to commemorate the first flight of an airplane in the British Empire and which is to be unveiled on August 6th, the occasion of the National Aviation Day celebration at Baddeck. Mr. MacDonald was much interested and intimated that he realized the importance of the celebration on August 16th of the first flight of an aeroplane in the British Empire, made by Mr. J. A. D. McCurdy in 1909. He regarded it as not only a great National event, but also a great "Empire" event.

Mr. MacDonald had seriously considered extending his sojourn here so that the might be present at Baddeck on August 16th, but since his trip from Nova Scotia to Newfoundland was being arranged by the Canadian and Newfoundland governments there might be some difficulty in altering the itinerary. The Premier and Miss MacDonald expressed themselves as much delighted with the scenery of Cape Breton and the peace and restfulness of the countryside. After a stay of three or more hours in Baddeck and Beinn Bhreagh the party left for a trip through the Margarees.

MRS. ANGUS D. MACDONALD

Baddeck, Aug. 4.—There passed away on Tuesday, July 31st, in her home at Middle River, Mrs. Angus D. MacDonald at the age of sixty-five years. She was a woman of fine Christian character, who will be greatly missed in the home and community, where, until her health failed about two years ago, she was always a cheerful and active worker.

Besides her husband, she is survived by three sons and two daughters, John D. and Alexander MacDonald, Colorado, Archibald at home; Mrs. Annie MacKenzie, Colorado; and Miss Catherine at home. Two sons met tragic deaths some years ago—one being drowned in Halifax Harbour, and the other died of smallpox in China. Mr. and Mrs. MacKenzie, John D. and Alexander MacDonald motored from Colorado, arriving the day before their mother died. Residing in the home is the husband's mother, who is past her one hundred and second birthday.

The funeral on Thursday was one of the largest ever seen at Middle River. The services at the home and graveside were conducted by Rev. W. K. MacKay of Reserve, a former pastor at Middle River, assisted by Rev. James Fraser of Big Bras d'Or, Rev. J. A. MacLellan and Mr. Charles Foote. The remains were laid to rest in the family lot in Middle River cemetery.

NEW FERRY CHRISTENED "ANGUS L"

For more than a century the family of Thomas J. Ross has acted as the custodian of the little ferry at Little Narrows, that charming spot near the county line of Victoria and Inverness, where the Little Bras d'Or shores come nearest to touching. First it was his grandfather, then his father, and for the past thirty-eight years Thomas J. Ross has been the courteous public servant answering calls at all hours and in all weathers. A new ferry has been in operation for the last week and has proven to be eminently satisfactory, and is regarded as another step forward in Cape Breton highway improvement. The ferry has been christened the "Angus L" after Premier Angus L. MacDonald. There has always been a ferry at Little Narrows. To cross the lake in earlier days it was necessary to unharness the horse and wagon, while the wagon was being transported to the other shore, the horse swam across the channel unassisted. Later a stage or raft was provided, which was succeeded by a hand propelled cable scow and finally climaxed by the motor driven one.

Among the visitors who crossed the Narrows on the new boat this week were: Malcolm MacIvor, Smith MacIvor, Glace Bay; J. W. Maddin, Sydney; Major A. R. Minard, Boston; Mrs. Jessie Kerr, Boston; Mrs. Robert McArel, Port Marlen; Sally Carmichael, Mrs. Colena Carmichael, Boston; and Miss Florence Morrison, New York.

the first flight of an aeroplane or heavier than air machine in the British Empire made by Mr. J. A. McCurdy of Baddeck on February 23-1909. This monument will be unveiled by the Lieut. Governor of the Province on National Aviation Day, August 16th at Baddeck. The structure will rest on a concrete base 10 feet by 8 feet and will be 12 feet high. The column will be about 5 1-2 feet by 3 feet at the bottom and 4 feet by 2 feet at the top. A suitable plaque in bronze will be attached to the monument bearing an inscription telling of the flight.

Mr. W. A. Found, Deputy Minister of Fisheries, Ottawa, was in town on Friday and informed the Board of Trade that his department was sending a fishery cruiser from its fleet for August 15th and 16th at Baddeck as a compliment to the occasion. The cruiser will be suitably decorated, the Board was informed.

Mrs. R. N. MacNeil (of Sydney) is in town spending a few days with her sister, Miss Sadie MacLean, Chebucto Street.

A largely attended meeting of the residents of Lower, Centre and Upper Washabuck was held at Washabuck Centre on Sunday afternoon, Aug. 5th, when plans were completed for the Lachlan MacLean Memorial celebration to be held at Lower Washabuck on Thursday, August 23rd.

The meeting was presided over by Neil P. S. MacLean, of Lower Washabuck, permanent chairman, and Alec D. MacLean, Baddeck, secretary to the various committees. The following ladies were appointed a standing committee to make all arrangements for the entertaining of the visiting clergy and other invited guests, and empowered to add to their number: Mrs. Vincent MacLean, Mrs. Neil P. S. MacLean, Mrs. Agnes MacDonald, of Lower Washabuck; Mrs. Neil P. MacLean, Mrs. Roderick J. MacLean, of Washabuck Centre; Mrs. Peter D. MacKenzie and Miss Frances Ann MacNeil of Upper Washabuck.

Neil P. MacLean, Washabuck Centre, and Michael A. MacLean of Lower Washabuck were named as additional members of the managing committee, the last named to make all arrangements regarding the choir and music for the celebration.

It was voted that the thanks of the meeting be extended to Mr. Norman Bethune of Baddeck for courtesies shown them by placing a portion of his radio advertising time at their disposal, at his own expense. The managing committee consists of Neil P. MacLean, Lower Washabuck, Chairman, Alex D. MacLean, Baddeck, secretary, Malcolm B. MacLean, Roderick D. MacLean, Quinton MacDonald, Michael A. MacLean, Lower Washabuck, Neil P. MacLean, Washabuck Centre, and John M. MacLean, Baddeck.

Ceremonies will open at ten o'clock that morning with celebration of Solemn Requiem High Mass in the old cemetery, where are interred the mortal remains of Lachlan MacLean and others of the pioneers who emigrated to Cape Breton with him in 1817. It is expected that His Excellency, Bishop Morrison of the Diocese of Antigonish, will be in attendance. The officiating priest will be Rev. Father D. J. Rankin parish priest of Baddeck and Iona, and assisting him will be those of the clergy who are descendants of Lachlan MacLean. The sermon will be one appropriate to the occasion, and

will be delivered in the Gaelic language.

Rev. Father Rankin will also speak during the day, giving special attention to the history of the old settlers, and paying tribute to their memory. In addition to the clergy who will be actively engaged in the ceremonies, several other priests of the dioceses have been invited, and have signified their intention of being in attendance.

The old graveyard has been cleared of all trees and shrubbery, and enclosed by a substantial wire fence. The monument erected to the memory of Lachlan MacLean, which will be unveiled that day, stands on a base four feet square, and the pedestal resting on it rises to a height of six feet. The pedestal is three feet square at the base, and tapers on all sides, being two feet square at the top. It is surmounted by a cross. On the front of the monument is a copper crucifix and inscription of copper letters. The inscription covers a space of more than two square feet, and the whole reflects credit on the designer and those who were instrumental in its erection. This cemetery was the first to be consecrated in Washabuck, and the ground was donated by Lachlan MacLean, he being the first to be buried there. At that time there was no Catholic burying ground in what is now known as the town of Baddeck, and the Catholic dead from that town, including Scottish, French and Indians, were given interment there. Lachlan MacLean was born in Barra, Scotland, in 1728, and died at Lower Washabuck in 1842, a quarter of a century after he emigrated to Cape Breton, at the great age of 114 years. It is anticipated that upwards of one thousand persons will be present at Lower Washabuck on that day, and careful arrangements are being made for their comfort and entertainment.
