Examination for Certificate in Assaying.

BUREAU OF MINES,
 Victoria, B. C.,
 April 8th, 1896.

ON HAVING LEARNED that many who desire to obtain the above Certificate do not feel sufficiently prepared for the examination it was proposed to hold here during the last of this month, the Hon. the Minister of Mines has decided to postpone said examination until the autumn, when it may be held in two or three places in the Province for the better convenience of the candidates: due notice to be given of the time, places, and examiners appointed by the Minister.

An excellent book on assaying, embracing most of the best and latest methods for all the metals required for this examination, Furman's "Manual of Practical Assaying," \$3.00, John Wiley & Sons, New York, is strongly recommended.

WILLIAM A. CARLYLE,
 Provincial Mineralogist.
