

one held the hyssop to the sufferer's lips.

As the chanting Indians came before this last tableau they were visibly affected, the song was hushed, and all silently fell to their knees. The spectators who had followed out of curiosity uncovered and Protestant and Catholic alike bowed at the moving sight.

The stillness had grown oppressive, when five of the chiefs arose, and each in turn called out in his own language that Jesus was dying, was dying. A shrill mournful chant, repeated over and over, and echoed from the cliffs across the river was the reply. Then, at a signal, all arose, filing past the crucifix each made a deep reverence.

After the last man had bowed, and the crowd was slowly scattering, the sky grew dark again, and the rain began to fall.—*Seattle Correspondence New York Sun.*

AN HONOR WORTHILY BESTOWED.

In conferring the degree of Doctor of Laws on the well-known writer and controversialist, Rev. L. A. Lambert, of Scottsville, N.Y., Notre Dame University has conferred still greater honor upon itself. Father Lambert's name is a household word from Maine to California and the eminent services which he has rendered to the cause of religion make him in every respect a most worthy recipient of the honor.

Father Lambert's pen is as keen as a Damascus blade, and his logic is irresistible. His "Notes on Ingersoll" has been more widely read than almost any other book published in America. Thousands of unbelievers have been enlightened by its perusal and, let us hope, been brought to a knowledge of the true faith. We congratulate the Reverend and gifted gentleman on the high honor that has been bestowed upon him.—*Michigan Catholic.*

NORTHROP & LYMAN'S

VEGETABLE A Great Blood Purifier

A Sure Cure for DISCOVERY
Dyspepsia

A Medical Triumph! A Very Bad Case!

DYSPEPSIA VANQUISHED.

HOW THE HEALTH OF ONE OF BELLEVILLE'S CITIZENS WAS RESTORED.

Remarkable Cure of Dropsy and Dyspepsia.

MR. SAMUEL T. CASEY, Belleville, writes: "In the spring of 1884 I began to be troubled with Dyspepsia, which gradually became more and more distressing. I used various domestic remedies, and applied to my physician, but received no benefit. By this time my trouble assumed the form of Dropsy. I was unable to use any food whatever, except boiled milk and bread; my limbs were swollen to twice their natural size; all hopes of my recovery were given up, and I quite expected death within a few weeks. NORTHROP AND LYMAN'S VEGETABLE DISCOVERY having been recommended to me, I tried a bottle with but little hope of relief, and now, after using eight bottles, my Dyspepsia and Dropsy are cured. Although now seventy-nine years of age, I can enjoy my meals as well as ever, and my general health is good. I am well known in this section of Canada, having lived here fifty-seven years; and you have liberty to use my name in recommendation of your VEGETABLE DISCOVERY, which has done such wonders in my case."

MR. JAMES JOHNSTON, 4th con., 7th lot, Amaranth, writes: "Two bottles of NORTHROP & LYMAN'S VEGETABLE DISCOVERY cured me of Dyspepsia. Mine was a bad case and I had tried a number of other preparations without getting any benefit from them."

Dyspepsia Had to Go.

MR. W. J. DEVELL, Wingham, carpenter and builder, writes: "Three years ago I was greatly troubled with Dyspepsia; a pain between my shoulders was so bad that I thought I would have to quit work altogether. No medicine gave me ease until I got a bottle of NORTHROP & LYMAN'S VEGETABLE DISCOVERY, which gave me relief. I continued using the medicine until I had taken three bottles, when I was perfectly well. I consider it invaluable as a cure for Dyspepsia. I know of several persons who have used it with the same benefit."
