

MARITIME MINING RECORD

ISSUED ON SECOND AND FOUR WEDNESDAY MONTHLY.

The organ of the rapidly expanding Coal Trade [the Maritimes Provinces]

It covers the entire field, and that adequately.

There is no better medium in the Dominion for "Supply" men whether they be makers of Fans, Pumps, Engines, Rollers Wire Ropes, or, in short, of any kind of Mining Machinery needed for the extraction and preparation of minerals, or if they be producers or agents for the numerous articles that enter into consumption at the collieries.

The Record is always consulted on all subjects, and its advertising columns are carefully scanned by Directors, Managers, and Purchasing agents.

Advertising Rates are Moderate

AND FORWARDED ON APPLICATION.

Every Coal Company of any standing is a patron of The Record
