These books are published in monthly numbers, in cloth binding, and sell at 50 cents each, or 3 copies for \$1.20, or the entire 9 copies for \$3.00. We publish an edition of each book in heavy paper binding for subscribers. The subscription price is \$1.50 a year (nine books); or \$1.00 for any six books. These Manuals are large, neatly bound, elegantly printed books. Size of Covers, 6 1/4 x 9 1/4 inches. Send for Circulars.

## A TREMENDOUS SUCCESS

The immediate and immense success of our Teachers' Help Manuals is the talk of publishers and educators everywhere. A sale of nearly 100,000 copies in less than five months is something of which the publishers have reason to be proud. We are in receipt of the most flattering testimonials from School Inspectors and Head Masters in all parts of the country, and it seems now as though every teacher in Canada were determined upon securing these books.

### OUR OTHER PUBLICATIONS.

**THE NEW ARITHMETIC. By 300 Authors.**

"THE BEST ARITHMETIC IN THE WORLD." These six words express our opinion as well as the opinion of thousands of teachers of Canada, the United States, Great Britain, and elsewhere. It is unlike all other books on this subject, and as a text-book for teachers and pupils it certainly has no equal. The latest edition contains answers. PRICE \$1.00

**EATON'S 100 LESSONS IN BUSINESS.**

Do you not think that your pupils would be pleased and benefited if you took them through a course of 100 lessons in business? This is not a book publication, but an ingeniously arranged course of self-help lessons. Each lesson is complete and separate. There are beautifully arranged business papers, of various kinds, printed in four colors. This work may be to many a young person the stepping-stone to a successful business career. Teachers are delighted with it. PRICE \$1.00.
