

HOME EVIDENCE!

B. Dugal, Esq., Chemist and Druggist, Crown Street, Quebec: Sir, I send you the following certificate, attesting the efficacy of BRISTOL'S SARSAPARILLA:

Result of a Slow Fever.—I certify that in the month of March, 1866, my son, nine years old, was obliged to keep his bed from the above sickness. I employed the best doctors, who took him under their charge for two years, without affording relief.

JEAN LAGRANGE. St. Roch de Quebec, 8th Aug. 1863.

PURGATION AND INVIGORATION.—By means of BRISTOL'S SUGAR-COATED PILLS, these two processes are made one and inseparable, and this cannot be said of any other cathartic in existence.

A PUBLIC BENEFIT.—Nothing can be of more importance to the welfare of our community, than the health of our children; in this depends the future of our national greatness, and, in a large measure, the enjoyment of our own lives.

In one of Doctor Ayer's lectures he states that Chemistry confers more practical benefits on mankind, than any other science, yet from no other source could more be so easily obtained.

MURRAY & LANMAN'S FLORIDA WATER.—It is a pleasant thing to afford a new and refined enjoyment to the gentler sex. Lanman and Kemp have certainly accomplished that object in introducing Murray and Lanman's Florida Water.
