THE MONTREAL TEA COMPANY.

The Whole Dominion should buy their Teas of the
 Importers,
THE MONTREAL TEA COMPANY,
 6 Hospital Street, Montreal.
 Our Teas, after the most severe tests by the best
 medical authorities and judges of Tea, have been pro-
 nounced to be quite pure and free from any artificial
 coloring or poisonous substances so often used to
 improve the appearance of Tea. They are unequalled
 for strength and flavour. They have been chosen
 for their intrinsic worth, keeping in mild health,
 economy, and a high degree of pleasure in drinking
 them. We sell for the smallest possible profits,
 effecting a saving to the consumer of 15c to 20c per
 lb. Our Teas are put up in 5, 12, 15, 20 and 25 lb
 boxes, and are warranted pure and free from poison-
 ous substances. Orders for four 5 lb boxes, two 12
 lb boxes, or one 20 or 25 lb box sent carriage free to
 any Railway Station in Canada. Tea will be for-
 warded immediately on the receipt of the order by
 mail containing money, or the money can be col-
 lected on delivery by express man, where there are
 express offices. In sending orders below the amount
 of \$10, to save expense it would be better to send
 money with the order. Where a 25 lb box would be
 too much, four families clubbing together could send
 for four 5 lb boxes, or two 12 lb boxes. We send
 them to one address carriage paid, and mark each
 box plainly, so that each party get their own Tea.—
 We warrant all the Tea we sell to give entire satisfac-
 tion. If they are not satisfactory they can be
 returned at our expense.

A YEAR'S TRIAL
 Montreal, 1868.
 The Montreal Tea Company:
 GENTS.—It is nearly a year since I purchased the
 first chest of Tea from your house. I have purchased
 many since, and I am pleased to inform you the Tea
 has in every case proved most satisfactory, as well as
 being exceedingly cheap. Yours very truly
 F. BENNIE.

Montreal Tea Co:
 GENTLEMEN.—The Tea I purchased of you in March
 has given great satisfaction, and the flavor of it is
 very fine. It is very strange, but since I have been
 drinking your Tea I have been quite free from heart-
 burn, which would always pain me after breakfast.
 I attribute this to the purity of your Tea, and shall
 continue a customer.
 Yours respectfully
 FRANCIS T. GREENE,
 54 St. John Street, Montreal.

Montreal, April, 1868.—To the Montreal Tea Com-
 pany, 6 Hospital Street, Montreal: We notice with

 creasing. We presume your teas are giving general

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medi-
 cine.

Perhaps no one medicine required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative pill. The obvious reason is, that it is more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not tried it, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have, and can show, thousands upon thousands of certificates of remarkable cures of the following complaints, but such cures are known in every neighborhood, and why should we publish them? Adapted to all ages and conditions in all climates; containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity. They are recommended for their purgative influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, and restore the regular action of health, and by correcting, wherever they exist, such derangements as are the first origin of disease.
 Minute directions are given in the wrapper on a box, for the following complaints, which these Pills cure:—
 For **Dyspepsia or Indigestion, Loss of Appetite, Stomachic and Loss of Appetite,** they should be taken moderately to stimulate the stomach and restore its healthy action.
 For **Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers,** they should be judiciously taken for their purgative effect to correct the diseased action or remove the obstructions which cause it.
 For **Dysentery or Diarrhoea,** but one mild dose is generally required.
 For **Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins,** they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.
 For **Dropical and Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.
 For **Suppression of a large dose should be taken as it produces the desired effect by sympathy.**
 As a **Dinner Pill,** take one or two Pills to promote digestion and relieve the stomach.
 An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often an invaluable remedy in those cases where a severe derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus. There are numerous cases where a purgative is required, which we cannot enumerate here, but they suggest themselves to everybody, and where the virtues of this Pill are known, the public no longer doubt what to employ.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs,
 such as Coughs, Colds, Whooping
 Cough, Bronchitis, Asthma,
 and Consumption.

Probably never before in the whole history of
 medicine, has anything won so widely and so deeply
 upon the confidence of mankind, as this excellent
 remedy for pulmonary complaints. Through a long
 series of years, and among most of the races of
 men it has risen higher and higher in their estima-
 tion, as it has become better known. Its uniform
 character and power to cure the various affections
 of the lungs and throat, have made it known as a
 reliable protector against them. While adapted to
 milder forms of disease and to young children, it is
 at the same time the most effectual remedy that can
 be given for incipient consumption, and the dan-
 gerous affections of the throat and lungs. As a
 provision against sudden attacks of **Croup,** it should
 be kept on hand in every family, and indeed as all
 are sometimes subject to colds and coughs, all
 should be provided with this antidote for them.
 Although settled Consumption is thought in-
 curable, still great numbers of cases where the dis-
 ease seemed settled, have been completely cured,
 and the patient restored to sound health by the
Cherry Pectoral. So complete is its mastery
 over the disorders of the Lungs and Throat, that
 the most obstinate of them yield to it. When noth-
 ing else could reach the cure, the **Cherry Pec-
 toral** they subside and disappear.
Singers and Public Speakers find great pro-
 tection from it.
Asthma is always relieved and often wholly
 cured by it.
Bronchitis is generally cured by taking the
Cherry Pectoral in small and frequent doses.
 So generally are its virtues known that it is un-
 necessary to publish the certificates of them here,
 or do more than assure the public that its qualities
 are fully maintained.
