Victoria Square, Montreal.

Mercantile Summary.

THE Pelee Island Wine Company is erecting a mammoth wine cellar on Pelee Island, Lake Erie.

A NEW service of China steamers has been put on between Victoria, B.C., and China and Japan, and the "Batavia," the first to arrive after the Peninsular and Oriental company's steamer, "Zambesi," is now due at Victoria from Hong Kong.

THE 2-million gallon pump made by the Kerr Engine Works for the Niagara waterworks, has been tested and accepted. The pumps for the Amherstburg and the Leamington waterworks are to be completed next week, and are duplicates of the Niagara pumps.

GENERAL sympathy is felt for Mr. McIndoe, the only present partner in the leather firm of McIndoe & Vaughan, Montreal, who have been obliged to assign, principally through losses incurred by shoe failures extending back through the last several years. The firm owes about \$25,000 direct, and \$15,000 indirect, and shows some moderate nominal surplus. Creditors are generally signing off at 25 per cent. cash.

AN Ottawa haberdasher named George A. Quesnel, who has been principally a supply account of Radford Bros., Montreal, lately failed, has been obliged to assign. He has been in business a little more than a year. —Miller & Bro., a general store firm of Cornwall, Ont., have assigned to the sheriff. They started originally as peddlers, and began regular storekeeping on limited capital about two years ago. —Joseph Lemieux, of Vars, Ont., is a shoemaker by trade, and was farming, but gave it up in the fall of 1888 to start a small store business. He has now assigned to P. Larmonth, of Ottawa.
