

# FORT GEORGE

Will be one of Canada's largest cities. Because it is the geographical and strategic commercial centre of British Columbia.

The junction of 1,000 miles of navigable waterways.

So situated that all railroads building through Central British Columbia—north, south, east or west—must build to Fort George following the waterways.

Fort George is on the line of eleven railroads chartered—some building.

British Columbia is Canada's largest and richest province.

The best part of British Columbia is tributary to Fort George.

When comparing Fort George with any prairie city it is only necessary to point out that Fort George has all resources of any of the prairie cities in the way of agricultural possibilities of the country tributary, but in addition it has an immense timber area, assuring the development of the lumber industry.

Coal has been discovered within ten miles of Fort George and it is the supply point for the great Cariboo gold district which has produced one hundred million dollars to date.

A 75,000 horsepower water power is within sixteen miles, thus insuring cheap power for manufacturing purposes.

No city in Western Canada can class with Fort George in regard to richness and extent of natural tributary resources.

In making your investments don't overlook the fact that all the new cities cannot be Winnipegs or Vancouvers.

There will be a repetition of Winnipeg's growth—of Vancouver's financial triumphs.

In casting around for the next young giant among cities you cannot get by Fort George.

The more you compare Fort George with other cities made and in the making, the more you will be convinced of Fort George's future greatness.
