A WONDERFUL REMEDY.

The value of Ayer's Cherry Pectoral, in the protection it affords from the dangers of pulmonary disorders, cannot be over-estimated. Mr. C. K. Philips, Pittsburg, Pa., writes: "About three years ago I had severe Laryngitis, which resulted in chronic hoarseness. By the use of Ayer's Cherry Pectoral I have since entirely regained my health." Mr. Henry Russell, Excelsior Printing Co., New York, writes: "Influenza became epidemic in my neighborhood. Several members of my family suffered severely with it, all of whom took Ayer's Cherry Pectoral, and were cured by it in a few days. It is a wonderful medicine for Influenza. Too much cannot be said in its favor."

E. M. Sargent, 41 Andover st., Lowell, Mass., says: "I commenced using Ayer's Cherry Pectoral about the year 1842, as a family medicine, for Coughs and Colds, and have always kept it in my house since that time. I consider it the best remedy that can be had for these complaints." Dr. J. B. Robertson, Clayton, N. C., writes: "I have used Ayer's Cherry Pectoral, in my family and practice, for a number of years, and have no hesitation in recommending it. It is an admirable preparation, and well-qualified to do all that is claimed for it." E. J. Styers, Germantown, N. C., writes: "Ayer's Cherry Pectoral is the best Cough preparation I ever saw. It gives instant relief."

Ayer's Cherry Pectoral

has cured a Cough in a few doses. It always relieves irritation of the lungs or throat, and arrests the tendency to inflammation. It strikes at the foundation of all Pulmonary diseases, is without a rival as an expectorant, and is a sure cure for the most obstinate Coughs and Colds. L. Garrett, Texana, Texas, writes: "I have used Ayer's Cherry Pectoral in my family for twenty years. For throat and lung diseases, I consider it a wonderful remedy."
