

Also to be noted is the recent establishment of a Public Relations Division within the Bureau of Public Affairs, of which the Academic Relations Division is also a unit. The Public Relations Division has as one of its prime functions the fostering of a greater awareness of foreign policy matters among the Canadian public. This division's role will consequently include meeting requests from the public for written and other information material on Canada's external relations.

Jean-Yves Grenon  
Director

Academic Relations Division
