INQUIRY

By the Honourable Senator Argue:

15th March—That he will inquire of the Government:—

(1) What studies, if any, have been made by the Government of Canada or any department or agency thereof with regard to containerized transportation?

(2) What were the findings and conclusions of any such studies?

(3) Have any discussions taken place between the Government of Canada or any department or agency thereof and the Government of Japan or any Japanese agencies or corporations concerning the possibility of Canada being used as a link in containerized transportation between Japan and Europe?

(4) What were the results of any such studies?

(5) What studies or negotiations have been undertaken by the Government or any department or agency thereof with regard to the establishment of harbour and port facilities in Canada for the handling of containerized transportation?

MOTIONS

No. 1.

By the Honourable Senator Argue:

15th February—That there be laid before this House

(1) copies of all construction contracts entered into between the Canadian National Railway Company and other parties under
