Dear Mr. Hixon:-

Please accept my best thanks  
for your kindness in sending me the typewritten  
copy of your interesting article entitled "Is the  
Earth Expanding or Contracting"?

I have read this through with  
much interest and have, following your request,  
passed it on to Dr. J. Austin Bancroft, Dawson  
Professor of Geology at McGill University.

Again thanking you,

I remain,

Yours very sincerely,

Acting Principal.
