

CONSULATE GENERAL
OF THE REPUBLIC OF POLAND
FOR CANADA

MONTREAL, November 7th 1950

Dear Sir Arthur,-

This year marks the tenth anniversary of the campaign of 1920 between Poland and Soviet Russia. Thinking that you might be interested in a work which deals with this subject I am so free to send you, Sir Arthur, a copy of the French translation of a work by Marshal Joseph Pilsudski, under the title "L'Année 1920".

Marshal Pilsudski was in command of the Polish armies. The issue of the war was decided in the battles of the Vistula in August 1920 and of the Niemen of September 1920. Nobody was more competent to write such a work than Marshal Pilsudski who planned the offensive, conducted it to a victorious end and saved in this way the reestablished independence of Poland.

Hoping that you will accept this book,
I remain, Sir Arthur,

Sincerely yours.

M. Straszewski

Sir Arthur W. Currie,
G.C.M.G., K.C.B., LL.D.,
3450 MacTavish Street,
Montreal.

Consul General.
M. Straszewski.
