

MCGILL UNIVERSITY

October 11th, 1933.

The Principal,  
McGill University,  
Montreal.

Dear Mr. Principal,

Thank you for your letter of the 7th of October. Last night at our rehearsal I conveyed to the members of the Orchestra your message which they very much appreciated.

I can assure you that we do feel that it is very desirable that our students should co-operate with the other faculties at all University functions. As these occasions come round I will remind the Dean of your wish that we should be ready with our arrangements to provide suitable music.

Yours faithfully,

Secretary  
Faculty of Music
