Sir Arthur Currie G.C.M.G. K.C.B. LL.D.,  
McGill University,  
Montreal.

Dear Sir Arthur,

Last summer you telephoned me asking me when we expected the judgment in the Walter-Morin case.

When the trial took place the Judge asked the attorneys to file the written arguments as quickly as possible as he wished to give judgment before the holidays. There was a delay in filing these arguments and I only received the answer of the Defendant about the 20th of this month though I had been promised it early in the summer.

The record is now complete and my correspondent at Montmagny informs me that judgment will be rendered at the next sitting of the Court, which will be around the 3rd or 4th of October.

I confidently expect that Professor Morin will be as brilliantly vindicated in the action for slander now pending against Professor Walter as he was in the criminal proceedings.

As you are aware we have an action which we can institute against Professor Walter for false arrest, but, before instituting this latter action we decided to await the trial of the case at Montmagny, because should we succeed in obtaining sufficient damages to allow Professor Morin to cover the obligations he incurred in defending himself in the criminal charge there will be no need of taking any other proceedings, but, naturally his right is always open should the condemnation against Professor Walter be not sufficient to cover Professor Morin's obligations.

Yours truly,

*Charles M. Cotton*
