TO THE PUBLIC.

We are enabled, through the liberal support of our advertisers, to present you with this book, which will be found useful to you during your stay in the city, and of *permanent value* to you in your business. The Interest and Exchange Tables alone, which are contained herein, cannot, we believe, be purchased under \$2.00, and in fact the Interest Book at that price contains only 6 and 7 per cent. We give 7 and 8 per cent ; the latter being undoubtedly the most needed rate in Canada.

If you have no use for this Book yourself, kindly give it to some one who has.

TO OUR PATRONS:

We have endeavoured to make this publication all we claimed it would be, and superior rather than inferior. We believe that it cannot fail to meet with your approval, and we trust the manner in which we have fulfilled our promise in this, our first transaction with you, will ensure for us your confidence in any future advertising schemes we may bring before you.

Your obedient servants,

BICKFORD & CO.,
