Non - English - Speaking Citizens Object to Snow Cleaning Motion.

A deputation, consisting of Kenneth Dunstan, John Firstbrook, Ed. Burk and F. L. Riggs, representing the Civic Guild, called upon the board of contro yesterday, asking for speedy action in the widening of Yonge street. The guild is strongly of the opinion that Yonge street should be at least 86 feet wide from the C. P. R. tracks north," said Mr. Firstbrook. "Now is

the psychological moment, and sooner you act the better." "The city council realizes that this is a necessary step, and I think you can count on us going forward with energy once we start," said the mayor. "Transportation is another serious oblem to us," declared Edmund Burk, "and it should certainly have the attention of the city as well as the question of intersecting streets. If people want to get from one street to another they are forced to go east or west to Yonge street, whereas if these intersections existed much time would be

We will certainly look into it and ask the board of works to take the matter up at its next meeting," said

Ald. Robbins' Motion. Carl Prinz, Norwegian consul, yesterday made objections to the motion offered by Ald. Robbins, which infers that non-English-speaking people should not be given jobs snow-clean-ing during the present season. We don't want to bar foreigners'

said the mayor, "but, of course, we cannot discriminate against British people, and I do not think you will have occasion to complete at to actions in this regard. Mr. Prinz informed the board that

he was preparing extensive plans for attracting the tide of Norwegian emigration to Canada. A public conference getween the council and waterworks commission will be held in the council chamber at 11 o'clock on Feb. 3. board of control will meet Hon. W. J.
