ST. ALBANS AND GRACE CHURCH DRAW

In a league game on the lawn Saturday the two home teams played a very even draw. The sides battled first, and mainly thru a good steady innings of 69 by Thorne (8 boundaries) had 120 for 8 wickets; then W. Garrett and Hancock got together, and both hitting hard, the total was taken to 174 without further loss when the innings was closed. Garrett having a stylish 35 to his credit (5 boundaries) and Hancock 23 (4 boundaries). Moyson took two wickets for 15. Roberts two for 20. Delehanty one for 13. Marden two for 44. Groves one for 40. Grace Church started scoring quickly. Beardsall being the chief contributor, and when Marden came in runs came at a great pace. Beardsall was out at four for 50 for 32. Marden was unbeaten at "time" with a faultless 57 (8 boundaries). Thorne took two wickets for 11. Fletcher three for 68. Muckleston one for 30, and Groves one for 32. Scores:

SPLENDID CRICKET BY N.Y. VETERANS

Former Australians Bat Brilliantly and Help Defeat the Toronto Club.

The New York Veterans' C.C. are having a week's cricket in Canada, opening yesterday their first match at the university campus against the Toronto C.C., when they showed fine form, both in the field and at the wickets. A considerable amount of rain had fallen during Sunday night and again Monday morning, an excellent pitch had been prepared, so that play was able to be commenced on an almost perfect wicket.

The New York team is a very strong one, including no less than three Australians (Messrs. Korting, Hoskins and Hales), so that it was somewhat unfortunate that Toronto were unable to muster their strongest team, although it included such reliable players as W. J. Dobson, H. G. Davidson, E. H. Leighton, G. Neill, with Alan Ker of Rosedale and W. Paris of Grace Church, Toronto, having won the toss, elected to bat, but owing to the good bowling and brilliant fielding runs were difficult to get, the majority of the batsmen being dismissed for small scores, Leighton being given out l.b.w. for a well played 22. Alan Ker played excellent cricket and had made 49 runs when he was bowled by a good ball by S. Southern, his innings including five fours and four threes. W. J. Dobson played good cricket, and also he gave two chances, made a total of 44 runs (not out). Included in this were six fours. The innings closed for a total of 174, including 18 extras.

New York Veterans were set to make 175 runs in about two hours if they were to win, so they were faced with a formidable task. Toronto showed splendid form in the field, the first three wickets only producing 64 runs, but Messrs. Korting and Hoskins thoroughly mastered the bowling and actually won the match, with some fifteen minutes to spare.

Despite constant changing of bowlers, Toronto were unable to stop rapid scoring, for each batsman was hitting freely, their cutting and driving being at times brilliant and actually seen in Toronto. These two batsmen carried the score to 181, and were undefeated at the finish. Korting made 80 (not out), including no less than eleven fours, while Hoskins made 55 (not out), including six fours.

A fair sprinkling of visitors watched the game, including a goodly number of ladies. Cricket such as was witnessed at Dovercourt Park on Saturday the last time St. Albans team defeated St. Edwards by three runs in a close finish. For the home team, Marden was top scorer with 12 (4 boundaries). Townsend, 18, was the other principal scorer. Colborne took six wickets for 33. For St. Albans Phillips headed the scoring with 34 (5 boundaries), and Avery made a useful 21. Jones took seven wickets for 38. Scores:

WEST TORONTO ALL OUT FOR 28.

O.C.C. met West Toronto in a return match in a C. and M. League contest. O. C. C. batting first, were all out for 55. C. C. Murray, with 24, had the batting honors, and was the only man with double figures. The opening of West Toronto's innings was unpromising, and remained so until they were all out for 28. F. Scott was their highest scorer, with 7. O.C.C. have now won eight of their league games and lost one.
