LANCASHIRE WON FINAL CUP GAME

Defeated Baracas Two Goals to Nil at Varsity Stadium Before Big Crowd.

Before a large crowd at the Varsity stadium the Lancashires defeated Baracas in the final for the Toronto series of the Connaught Cup by the score of 2-0. Both teams played good football with the Red Roses being the more aggressive. The game was full of exciting incidents and was a typical cup-tie contest. It would be unfair to individualize the players as every man did his best, but special mention might be made of Hammitt and Sam Jones of the Red Rose, and Collins, Richards and McRay, the latter pluckly contin-uing after severely hurting his should-er. The winners now enter the On-tario series, but who they will play first will not be known till the C.F.A. have made the draw.

The line-up: Lancashire (2)—Laycock, Conway, Rigby, Arden, S. Jones, Knowles, A. Woodward, Bouman, Taylor

in the first division of the T. and D. League, Eatons and Sunderland met on the ground of the former on Saturday afternoon. Both teams played well and fast, notwithstanding the intense heat. Sunderland played thru with only ten players and are due all credit for their fine exhibition. They missed many chances by faulty shooting, while Fators harded straightforms. while Eatons banged straight for goal every tim. Game was very even the first half, but Eatons managed to notch two goals and in the s econd half scored a third, retiring winners by 8-0.

CRICKET CORRESPONDENCE.

Sporting Editor World: Would you allow me thru the columns of your paper to reply to the letter of one who signs himself "A Sporting Onlooker" re the cricket match between St. Matthias and Eatons week last Saturday in which he says that the umpire won the match for the church team? Well, in the first instance a man who would send such a letter for publication without signing his name to it may in his own estimation be a fair critic of sport, but to one who understands the game he would be one of those persons who can shoot hot air at no mean advantage. I am afraid that a person watching a game of cricket at a distance of fifty yards would find it difficult at time to hear the ball tip the bat and be caught by the wicketkeeper. And that is how both batsmen, Adgey and Hodgson, were out. And the umpire was quite right in both his decisions and is thoroly acquainted with the rules and bylaws governing the same of cricket at the same of cricket and bylaws governing the same of cricket and be caught by the wicketkeeper. was quite right in both his decisions and is thoroly acquainted with the rules and bylaws governing the game of cricket. I may also state that in the match which he refers to of last season with the Albion C.C. it was the Albion umpire that was at fault and not St. Matthlas as he stated, so he is quite wrong altogether, and that St. Matthlas did not even know their present umpire last year, he only having joined them this year. Hoping that Onlooker has quite recovered from his soreness over the defeat, at the same time wishing Batons every success, but to say that the umpire slapped his hands after each of Eaton's wickets fell is a deliberate falsehood.
