WHEAT MARKET TURNS HEAVY AT WEEK-END

MINING MARKET HELD UP IN SPLENDID STYLE

Chicago Pitt Ignores Higher Foreign Markets and Declines Steadily—Balkan Situation Less an Influence—Corn and Oats Lower.

CHICAGO, Oct. 5.—Heavier receipts northwest had a bearish effect to-day on wheat. The end of the day left the market depressed, varying from 1-3c to 1-5c under last night. Corn finished 1-3c to 1-5c down, oats off 1-3c to 3-5c and provisions trading from unchanged figures to 12 1-2c below.

Not only were the arrivals at spring wheat centres more liberal than of late, but country sales increased, and there was said to be active hedging in consequence. The Canadian movement, too, showed signs of becoming brisk. All this took attention from war talk and tended to pull down prices. A moderate rally came about as a result of assertions that exports had been higher at Omaha. There was some comfort also for the bulls owing to predictions of rain or snow in the Dakotas and because a large part of the receipts northwest showed poor quality. No lasting influence, however, was exerted, the market slipping down lower than before.

In corn an early speculative bulge gave way to weakness, due to fine weather and to the slowness of cash demand. The down turn in wheat counteracted further against the bull side.

Free selling by commission houses weighed on the oats market.

Plenty of realizations on the part of holders brought about an easy feeling in provisions.
