N MY GARAGE at the present time, counting those arranged for. together with those leit for sale by owners. I have about \$20,000 (twenty thousand dollars) worth of used cars; \$6335 (six thousand three hundred and thirty-five dollars) worth sold and stored free for spring delivery; of the balance, I have Fords of every type and year to the extent of \$8120 (eight thousand one hundred and twenty dollars) worth, with others in view for immediate delivery if required. Now you have read of February and August furniture sales, but February is past, and I do not selfurniture. However, March is coming, and I do sell automobiles; so here goes for a "March automobile clearing sale, with a stock such as I have never had before. Last year I sold pretty well on to \$100,000 (one hundred thousand dollars) worth of used cars, which, if you will figure out at a very low average, owing to the number of very cheap readsters and cars of early date, which do not sell for much, amounted to conditions.

A settler who has exhaustedd his homestead right may take a purchased homestead in certain districts. Price \$3.00 per acre.

Duties.—Must reside six months in each of three years, cultivate 50 acres and erect a house worth \$300.
