The judges have, rightly by the Reform Association. Mr. Glad-

trials. All we can say is that it ought new scheme will reserve to par the best that Sir Richard Cartwright dents already set in connection with had to say in regard to Jackson, who 2.50 was concerned in the South Oxford

ection for the legislature: Jackson, while he did not attempt to suborn evidence, did undoubted-ly attempt to get the evidence, and Sir Richard asked how evidence was to be obtained in cases of this kind to be obtained in cases of this kind unless a man was prepared to pay for it. He ventured to say there were very few election protests brought to trial in this country in which something of the kind had not been done. He did not mean to say this was a class of work he liked, but it was a work that had to be done unless men on the other side were to be allowed to go from one end of the country to the other, using their money for the purpose of illegitimately influencing the elections.

oints Nelson and Mulloy to lucrative offices, The Globe will have a right to

to call by some other name, misses the two parties in this country are not divided by any moral line, and that, corrupt means, no matter how it may protest its innocence, no matter even if you believe its protests. If it cannot maintain its existence without corruption, it has no right to hold power and office, and the remedy is to go on turning out one government after another until a strong and honest government is formed. If you merely say "one party is as bad as another" you leave yourself at the mercy of the worst elements in both.

Minnie M.

It looks as if the Ross government will have to get in line with the early closing movement.

Strange that the election courts will take such a perverted view of the untrining out one government after another until a strong and honest government is formed. If you merely say "one party is as bad as another" you leave yourself at the mercy of the worst elements in both.

Now the by-election is sent of the predominant partner, the

shown to have been won by corrupt success of the measure is impossible. But there is another movement which with not regret the stringency of any statute which is designed to protect honest electors against corrupt agents and negligent candidates. The public will rather welcome such revision of the statutes as will attach reasonable responsibility to the candidate for the statutes as will attach reasonable responsibility to the candidate for the work of criminals in his service.

PERJURY IN ELECTION TRIALS.

The Globe is grieved and astonished because Conservative newspapers have ment. But it would be a mistake to look on this proposal as in any real sense identical with Mr. Gladstone's bill. What he advocated was precisely the converse of the sense identical with mr. Gladstone's bill. What he advocated was precisely the converse of the sense identical with mr. Gladstone's at East Geneva. Miller's death was apparently caused by heart disease.

Belleville, Sept. 22.—Major Albert Casswell died suddenly in this city last evening. He was born in England in 1821, and for twenty years had been a prominent citizen of Belleville. North Grey case was rejected by the bill. What he advocated was precisely judges. What is the necessity for such the converse of the scheme now favored

ished, not rewarded. The following is it follows on a larger scale the prececities, parishes and counties.

That some such measure is necessary merely as regards Ireland, but also as regards Scotland. Wales and England, has long been foreseen. The imperial parliament is over-loaded with matters of detail which occupy a large portion of its time, and which could far better be dealt with by subordinate bodies acting with a full knowledge of local circumstances and conditions. And one notable advantage of procedure by devolution is that it may be done by stages, as experience warrants. It would also unite both sections of the Liberal party in its support and would command the approval of many Conservatives who recognize the growing congestion of parliamentary business. The creation of national councils for the three countries of the Nilson King."

Opinion at this Time.

Quackenbush Allowed to Go. The jury disagreed on the case of Marshall Quackenbush, who appeared before Judge Winchester at the general before Judge Winchester at the general sessions on a charge of aiding and abetting and counselling Burke in his attempt to release Charles Quackenbush from the Central Prison. When Quackenbush took the stand in his own defence, he denied close acquaintance with Burke. Burke had asked him what acid would cut steel, but, not being in that line of business, he did not know. He had loaned an overcoat to Burke on the night of the attempted jail delivery. The evidence of his wife and daughter cleared him of the charge of aiding and abetting. They swore that he was in the house early that night. Quackenbush was allowed to go on his own bail.
