Mr. B. B. Gray

Should any further action be taken in the matter referred to in letter under ? I have been holding this file for some time and do not know whether to enter a sale.

Assistant Deputy Minister.

Referring to Mr. Kemp's memorandum hereunder, I may say that I think the Order-in-Council referred to in my memo of the 5th February, 1915, may now be applied for with the view of issuing the patents to the Vancouver Power Company.
