Does not take into consideration the one essential to woman's happiness—her health. The woman who neglects her health is neglecting the very foundation of all good fortune. For without health, love loses its lustre and gold is but dross. Womanly health when lost or impaired may be regained by the use of Dr. Pierce's Favorite Prescription.

This Prescription has, for over 40 years, been curing delicate, weak, pale, nervous women, by the hundreds of thousands, and this too in the privacy of their homes without their having to submit to indecent, unscientific and often-times repugnant examinations.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence held in strictest confidence. Address: Dr. J. C. Pierce, Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

Dr. Pierce's Great Family Doctor Book, The People's Common Sense Medical Adviser, newly revised up-to-date edition—1000 pages, answers in plain English hosts of delicate questions which every woman, single or married, ought to know about. Sent free, in plain wrapper with any address on receipt of 31 one-cent stamps to cover mailing only, or in cloth binding for 50 cents.

## MORNING LOCALS

Oscar Hanson, alias Oscar Reynolds, alias J. Kelley, who was arrested by Constable McLeod of Sussex, on the charge of stealing a horse and carriage from Albert Kindred of Carleton, was brought to the city yesterday afternoon and is lodged at central station. Other charges he will have to face are stealing a bicycle from R. D. Cole, on June 1; a cow from Samuel Linton, of Lunenburg, and a bicycle from William A. Nelson, of Fairville, St. Clair. McKel, proprietor of McKel's Bakery, and Ward Stevens, a carpenter, engaged in a rough and tumble fight at the corner of Metcalf and Elm streets yesterday afternoon. The affair, McKel says, was the result of ill-treatment of his son at the hands of Stevens. Police Sergeant Kilpatrick and Patrolman Linton who arrived on the scene while the men were fighting, have reported them.

Rev. G. A. Lawson, director of the Y. C. camp of the maritime, Y. M. C. A., which will be held at Robertson's point, expects the attendance at the outing will be very large. About 100 boys have already signed their intention to be present from New Brunswick and Nova Scotia. Chancellor Jones, of the U. N. B., and Wm. McIntosh, curator of the Natural History museum will probably be visitors to the camp. W. H. Moor, boys' secretary of the local association, will be in charge of the water sports.

Two new stained glass windows, of handsome design have been installed in St. John the Baptist church, Broad street, and were donated by Rev. W. S. Chapman, V. G., the other by Miss Chapman, in memory of Monsignor Connolly. Commodore Thomson, of the R. K. Y. C. left for St. Andrews yesterday in his steam yacht Corinthia. The party on board consists of Mrs. Thomson, Mrs. John McMillan, Mrs. John B. Magee, Mrs. Thomson, Mrs. H. C. Clinch and Mr. Milneburger of New York. The yacht will return to St. John on Thursday. W. J. Fitzpatrick and T. A. Lake, of the Boston Post staff, reached the city last night and will go through to Campbellton today to look over the fire swept town. The Post has been active in the relief movement. Mr. Fitzpatrick says that the feeling of sympathy in Boston for the sufferers at Campbellton is very keen.

James H. Lawson, a boarder in a Boston boarding house, was shot and killed there yesterday by the landlord, James F. Farrell. Lawson had remonstrated with Farrell for slapping Mrs. Lawson's face. Farrell fired two shots with fatal effect. The latter, who is an Ottawa man, was arrested and is charged with murder.

Work on the new C. P. R. station at Woodstock will be started this week and the structure will cost \$25,000.

## A BAD COLLISION

Winning Electric Street Railway, Park line trailer hanging over subway under construction at Pembina street, Winnipeg. This electric train was dished into

by the Oak Point express running twenty miles an hour, on the C. N. R. Friday afternoon, July 8. One woman, Mrs. John Lawrence, was killed; her son and several others seriously injured. The locomotive struck the train on the coupling device, trailer and motor. Otherwise the loss of life on the trailer would have been heavier, as the trailer was filled with passengers.

## COMMON COUNCIL

Will Call for New Tenders for Paving Germain Street—Will Spend \$3,000 for Extra Lighting During Exhibition

At a special meeting of the common council yesterday afternoon, the grant of \$3,000 for the illumination of the city during the dominion exhibition was passed. The tenders for the permanent pavement in Germain street were considered, and it was resolved to call for new tenders. Under the new call the tenders will be asked to submit samples of the asphalt they propose to lay, for analysis. The engineer will report which of these come up to the specifications, and also which of the tenders are willing to enter into a contract with the city that the material they use will in all respects accord with the sample submitted by them. On motion of Ald. Jones, a committee of four members of the board, with Mayor Frank, was appointed to investigate the workings of the street department and bring in recommendations. This first moved that Ald. Willet, chairman of the bills and by-laws committee, be appointed to the treasury board, in place of ex-Ald. Kelley. This was carried.

At a special meeting of the common council yesterday afternoon, the grant of \$3,000 for the illumination of the city during the dominion exhibition was passed. The tenders for the permanent pavement in Germain street were considered, and it was resolved to call for new tenders. Under the new call the tenders will be asked to submit samples of the asphalt they propose to lay, for analysis. The engineer will report which of these come up to the specifications, and also which of the tenders are willing to enter into a contract with the city that the material they use will in all respects accord with the sample submitted by them. On motion of Ald. Jones, a committee of four members of the board, with Mayor Frank, was appointed to investigate the workings of the street department and bring in recommendations. This first moved that Ald. Willet, chairman of the bills and by-laws committee, be appointed to the treasury board, in place of ex-Ald. Kelley. This was carried.
