REMARKABLE CASE OF LOSS OF MEMORY

Charles Peary of Thorold Has to Reconstruct Former Life Through Friends

Niagara Falls, Ont., July 23—Charles Peary, who left Thorold with the first contingent, and returned home recently, tells of a strange experience. He was seriously wounded at Festenberg, and was detained in one of the English hospitals for eighteen months before being sent back to Canada to receive his discharge. On regaining consciousness in the hospital in England, Mr. Peary found that he would have to start life all over again, as his early life was a complete blank. He did not even know who his parents

and relatives were. The cause for this puzzled the doctors for some time. In fact, not for several months it was discovered that Mr. Peary's skull had been fractured. When this discovery was made, the loss of memory was no longer a mystery. Peculiar to relate, although all past events were blank, the man found that he could read and write, and understand all that was told him, as well as ever. He made up his mind to fill in the gaps, so the last few months of his convalescence were devoted to this task. He happened to have a few papers, and the addresses of some of his old friends in his tunic when he was wounded. Having again got possession of these, he wrote to the addresses thus found, explaining his dilemma, and asked for information as to his earlier life. One of these letters came to Thorold, and the details as requested were forwarded to England.

Other friends did the same, and in a very short time Mr. Peary had learned all about his early history. NEW SCHOONER SOLD The three masted schooner which has been built at St. Martins at the yards owned and operated by Premier Foster, Stanley E. Elkin, M. P., and A. F. and W. B. Bentley, has been sold to Toronto people. The vessel, which is 825 tons gross, and 477 tons net, has been rigged and painted and is practically finished and will soon be ready for launching. She will be launched on August 7 or 8, so soon as she has left the docks a second keel will be laid for a duplicate craft. It is intended to have a celebration in connection with the first launching from the new yards and the Premier will be assisted in the exercises by a party of invited guests.

A L FEAR OF STARVING IS GONE FROM BRITAIN

Wheat Reserves Absolutely Safe—Better Bread and More Meat Coming

London, July 23—Wheat reserves in Great Britain now are absolutely safe even if the war lasts a considerable time, said John R. Clynes, the food minister, in a speech last night at Manchester. This situation will enable the government to release a greater quantity from reserves and also to improve the quality of flour soon. Mr. Clynes also announced an impending improvement in the meat supply. He said that instead of the present

seventy per cent. imported and thirty per cent. domestic, the proportions would be reversed, but that the amount of meat imported would be nearer twenty than thirty per cent.

G. T. R. TO CARRY ON

Ottawa, July 23—The Evening Citizen claims to have learned that negotiations which have been proceeding in London in connection with the purchase by the government of the G. T. R., have come to no agreement, but arrangements have been made whereby the company will carry on for another year. The Citizen states that Hon. Arthur Meighen and Hon. J. A. Calder, who sailed for some time ago, will bring word to this effect. A three pound land pull is good for keeping fish in the ice box.

POSTMEN'S STRIKE

Toronto, July 23—The postmen's strike, which started in this city on Monday, is spreading rapidly from one end of the dominion to the other. If all of the branches comply with the instructions of Alex. McMorde, secretary of the Dominion Federation, they will cease work tomorrow. Tonight Mr. McMorde announced that the postmen had quit work at Port William, Calgary, Regina, Vancouver, Peterboro, Sudb. Ste. Marie, Saskatoon, Brandon, Kitchener and Medicine Hat. In addition to those who went on strike on Monday, Amherst (N. S.), reported "all ready", and it was stated that temporary employees at Van-

couver who went on strike had been dismissed.

Blondin Makes Promise.

Montreal, July 23—A postal strike in Montreal has been averted through a promise received from Hon. P. E. Blondin, postmaster general, of the appointment of a sub-committee to consider and discuss the demands of the letter-carriers. In the meantime cheques for \$450 bonus are to be issued at once from Ottawa to all married men. The ordinary salaries of the postmen here range from \$750 to \$1,000 annually. The present demand is that these be raised to \$1,000 and \$1,400 respectively.

Will Wed Tomorrow.

On Wednesday Miss Mayme Lucas, daughter of Mr. and Mrs. Charles D. Lucas, and Marshall T. Anderson are to be married in Sackville.
