

our plot-holders in exchange, and the amount which could be realized from the old grounds might be applied in removing and re-interring the bodies, and changing the monuments. The Board is of opinion that St. Andrew's Cemetery has served its purpose, and recommend action in this matter to the extent, at least, of advising against all further interments.

8th. The hearty thanks of the Congregation are due to the members of the choir for their kind and efficient services during the past year.

9th. The Auditors, Messrs. Purdom and Somerville, have examined vouchers, and audited Treasurer's books for the year, and a full statement of receipts and disbursements is herewith submitted.

10th. Believing that a pipe organ would greatly improve the psalmody, and render the Church services more beneficial to all, and being already well assured that a suitable organ, specially designed for this Church, will be put in without involving the Congregation in any debt, the managers would welcome it, and trust both members and adherents will manifest their approval by voting "Yea"

11th. The following members of the Board retire by expiration of their term of office, but are eligible for re-election, viz :— Messrs. John Ferguson, C. McCallum, H. E. Nelles, J. G. McIntosh, James McSween, and J. W. Jones.
