THE FATAL NUPTIA Brund the grand altar of the of—there is a marble slab, on insertibed these words: "Figure race:" Francis in peace. It plain, and appeared to have ver placed there. The ablate M—companied me, fixed his eyes wi feeling upon it, and paused is silence. "The story of the tonthere," he then said, is a tragic of would like to hear at—though it

would like to hear it though it me deeply to repeat it I will r Having assured him that my c interest were much excited on t

the abbate related the following stances:

Francis, the only son of the Pihaving finished his education in d. i Nubili, was sent to England by where he was placed under the particular the idea of that illustrious perfavourite of all who knew him gay; but not dissipated ; elega catravagant; polite, but not out but not pedantic; pious, but no staunch to his own creed, but n in a word he possessed those c which cannot fail to win the est tion, and love of the discerning. Having attained his twenty-thi-was advised by his father to fo monial alliance with some Fng Several ladies of the highest radevoted admirers; one loved by the daughter of Sir Walter ora, faireas the lily, young, and and wealthy. Her nace was the object of another a idolate loved not him, who douted upo she could not bear the sight, or name, of Lord No; she esent to become the wife of one thiest, but most profligate though young and accomplishe She was ensmored with France worthy 1 should rather s A devoted Catholic, tenderl armly attached to the hered her ancestors, she was in ever first in every charitable asso paternal oratory, she enjoyed and bliss than others find in t of pleasure. Before her erue with emotions of exalted piet glimmering of the solitary around her, she recommen Providence her hopes, her

the Charlotte first formed a This pivere and by his simple deportment-his modest yet ment to the ancient churc evening, Lord — was prese himself to her, who could t he was the very reverse of F ler, a sportsman, a perfect hands were imbued in the bl bayonet, whom he lind chaile He was in the bloom of you complished; and just inheri estate, which enabled him passion for estentation and heart's content.

His affections -he art - al

riveted upon the levely d Waiter. He admired her wirtues of which he himself v roids. Such is the irresis Though, in his official pos against the Catholic eman against, the Catholic eman private, he professed himsel admirer of the religion of the he thought, that numbered followers—before whose a kneel—in whose rites, prace the could generally partite to which he dared not object was one, which he could nearly man the all the convictions of was not the religion of the it one to which a profit could conform his sonduct.

The first time he saw Ex lette tegether, he was col cwn fate was scaled. He nantly felt, that her partiali-were for the Italian prince manifest—she could not, whom, she felt convinced, whom, she fall convinced, peace, love and virtue, pany her to her chapel where the alternand enters her devotions. And Ch the living personification of woman's character while set in his mind. All that he felt for her all that we
