

Arrival of the "City of Baltimore"

Care Back, Nov. 20th.

"City of Baltimore" from Liverpool 11th, and Queenstown 12th, was intercepted at 7 o'clock on morning of Friday, 20th.

Respectively to Queen, Dec. 20th.

Continual increase of insurrection in Poland having convinced Constantine of the condition of affairs there, and the good will which inspired the Emperor to entrust him with the establishment of the institutions desired, (1) the Emperor relieves Constantine of his functions as Lieutenant Commander in Chief of Poland; (2) he will resume his task after the establishment of order.

Nov. 18th, 3-4 p.m. Bank of France has set rate of discount to seven per cent. Remittance at 100.

Steamer "Anglia" struck a rock in Galway Bay while entering from Liverpool on 10th, 10 of apparently uninjured, but still remained at Galway on morning of 11th; report of a survivor. Nothing transpired.

U. S. Corvette, "St. Louis," gone from Lisbon to Calliz; "Nagusa" expected in Lisbon.

Reported the Admiral ordered the "Kearney" from Queenstown; believed she was shipping men ostensibly for stokers, but supposed for more active service. Sailed on 6th during which bad weather that it is inferred her departure was insisted upon.

Palmerton in a speech at Lord Mayor's Banquet depicted the American War; said England would have interfered but for belief it would be in vain. She therefore would not yield to handshakes or minaces, but remain strictly neutral.

Regarding Poland he said England had done her duty by remonstrating, but although their remonstrances failed he hoped Russia would cease to pursue an offensive course.

Palmerton's reception was significantly enthusiastic.

Mr. Villiers, a prominent Government supporter, had been speaking in defence of Federal Government.

Paris telegrams say Matamoros is not blockaded, but contraband of war will not be allowed to be landed.

Emperor's proposal for a European Congress attracts universal attention. Fifteen Powers are invited. No official advice yet received, but supposed greater number will give acquiescence. English Cabinet were holding meeting to consider answer. Times sees no objection to England joining. Emperor's letter short—mentions no question.

Bourse firmer, 67 3/4.

Prussian, Belgian and Saxon Chambers opened by Kings in person. King Prussia expressed earnest wish for termination of differences between Government and Chambers. Upper House voted address in response by a small majority.

Captain and crew of "Gold Hunter," destroyed by the "Georgia," were landed at Tenneffe after very hard treatment, and arrived in England on the African Mail Steamer.

Drain of gold from Bank of England continues. Further advance of discount to seven anticipated.

Cotton market dull. Broadstuffs steady, unchanged. Corn heavy. Provisions dull.
