Labrador Fishery News

The S.S. Thetis, Capt. Burgess, arrived at St. John's five o'clock Tuesday afternoon from Labrador. Her fishery news is not over encouraging, as there is only one section of the coast on which the fishery is good. The Thetis went as far north as Hopedale.

There is a good sign of fish at Cape Harrison and as far north as Hopedale. No reports were heard from further down the coast. At Grady there was nothing doing, but since the ship came south we hear there is a good sign of fish there.

From Indian Harbor to Flat Island there is good fishing. Venison Islands, Soug Harbor, Dead Islands and Francis Harbor it was nearly a blank. At Battle Harbor there was good fishing.

At Bateau they are getting all the fish they can handle.

From Indian Tickle to Sandy Islands they are doing all they like with the fish.

At Macovic there is a good sign of fish striking in and they were doing fairly well. There was no fish at the time the Thetis was coming south.

At Ragged Islands, which is only a short distance south of Macovic, a sick man was taken on board at Bolster's Rock and landed at Carbonear.

Ice bergs are numerous along the coast, and dense fog was encountered all along even almost up to the narrows. Passengers and crew say that Capt. Burgess is a most careful mariner and knows every inch of the coast. He is a worthy successor to Capt. Parsons than whom there was no better Labrador pilot in the country.

NEWS IN A LINE

The sum of \$2,450.00 has been voted by the House for fuel and light supplies for constabulary and fire halls, and under the heading of "Administrative of Justice," \$354.32 as additional aid to fire dept. Does this latter refer to the fire dept. at Bay Roberts?

Mr. Eli Mercer (of Chas.), has been appointed Inspector of Weights and Measures for Bay Roberts, Shearstown, Country Road and Coley's Point, in place of Mr. Thomas Calpin, deceased.

Naval Reservist James Thompson, of Coley's Point, who has been serving in the Navy ever since the war broke out, and who was granted a month's furlough, returned to his duties on Thursday last. He holds the rank of gunnery instructor. Reservist Thompson was on board a battleship at the Dardanelles when a large number of his mates were killed and wounded by shells from the Turkish forts. He escaped with a slight wound in the leg.

Increase Revenue By \$305,000,000

Washington, June 30.—Excess profits will contribute \$730,000,000 toward the war tax now being formulated by the Senate finance committee, if Congress approves the committee's recommendation, made to day. This sum is \$305,000,000 annually more than is now raised by the 8 per cent tax on excess profits. The present excess profits law is repealed and the following substituted, as recommended by the committee:

That in addition to the tax under existing law, there shall be levied for each taxable year upon the income of every corporation, partnership, or individual a tax upon the amount of the excess profits. Not in excess of 15 per cent, in excess of 15 per cent, and not of 25 per cent, 10 per cent, in excess of 25 per cent, 10 per cent, 20 per cent, and not of 50 per cent, and not of 75 per cent, 25 per cent, in excess of 75 per cent, and not of 100 per cent, 30 per cent, in excess of 100 per cent, and not of 150 per cent, 35 per cent, and in excess of 150 per cent, 40 per cent.

The Senate committee's decision would increase the revenue possible under the House bill levy on excess profits \$305,000,000.

Man Killed At Bell Island

A sad accident occurred in number one shop of the Dominion plant Friday morning, July 13th, in which Denis Power, of Shearstown, was killed. The young man was engaged driving the air hoist, and must have left his position at the throttle to make some repairs while engine was in motion. His clothes evidently got caught in the winding rope which carried him over the drum, and crushed him to death.

The remains were brought over from the Island on Saturday, and the funeral took place Sunday morning last, Rev. Dr. Whelan, P. P., officiating.

Deceased was a son of Michael and Sarah Power, and was only 17 years of age. We trust a strict enquiry will be made into the cause of the accident.

Notes of Thanks

The parents of the late Nellie Dawe desire to sincerely thank all the friends who rendered assistance, and for all acts of kindness bestowed during their recent bereavement.

Russell, Mrs. Margaret Brown, Mrs. George Squires, Mrs. James Brown, and all other kind friends who assisted.
