MIRAMICHI ADVANCE, CHATHAM, NEW BRUNSWICK, OCTOBER 11 1888 THE CAPTAIN'S PLOT. A STORY OF THE SEA. 'God's ways are full of mystery," and no one realises the truth of the quata-tion more than the men who go down to sea in ships. My fifteenth birthday found me ar orphan and a waif in the streets of New Orleans. I had run away from a farmer in Illinois to whom I was bond, and by hook and crook thad reached the great town on the Fa-ther of Waters. I had been living a precarious life for a month when the job. It was part of my work to open the oysters consumed in the place, and this portion was done in a little room the oysters consumed in the place, and this portion was done in a little room the oysters consumed in the place, and this portion was done in a little room. There was a ready assent, and before the safety of all.' There was a ready assent, and before the articles without a word. I was in them. I was not only landed in Porto THE CAPTAIN'S PLOT. GENERAL BUSINESS. Legal Notices. GENERAL BUSINESS. SHERIFF'S SALE. OW ARRRVNG. DIFFICULTY O DALLES. To be sold at Public Aution on Fildsy the 23th day of September next, in front of the Registry Office in Newcastle, between the hours of twelve noon and 5 o'clock p. m. ALL the right, tilde and interest of Andrew Gray in and to all that piece, lot or tract of land situate, lying and being on the Northerly side of the South West branch of the Mirrusich River, in the Parish of Derby, and known as part of Lot. Number Twenty-one, and on which the said Andrew Gray at present resides; bounded and described as follows. "Commencing at the "Westelly boundary of the said Lot. Number "21 and at the back or shore of the River afore-"said being the front of said Lot. Number "Ton rois, thick." Northerly along the side line "for said lot a sufficient distance to include three "wareste-which distance will be about 20 rods "from the said shore:"-being part of the lot of ind cover of to John Russen by David Cook and Mary Ann his wire, by Deed dated the 22nd day of July, A. D. 1800, and subsequently leases by said John Russell to the late John Cook and Jane took, as by reference to the said Bord and lease recorded in Vol. 52, pages 57, 58 and 59 of the Northumberland County Records will more the same many best scied be many for the said and lease the same many basis of the said shore of the Northumberland County Records will more the Northumberland county Records will more the same many basis. ASTOR IMPORTATIONS FALL for Infants and Children. FULL LINES OF. this portion was done in a little room in rear of some private stalls or com-partments. They fronted the public room, of course, and were intended for parties who desired privacy while eat I could hear all that was said in two of them of the said of the said of the said of the said of the sailors. Even when I knew that I was to be left I did not raise an objection, I could hear all that was said in two of them of the said of the said of the said of the said of the sailors. Even when I knew that I was to be left I did not raise an objection, I coursed the island to be inhabited. There was a ready assent, and before "Castoria is so well adapted to children that I recommend it as superior to any proscription known to me." H. A. Ascren, M. D., 111 So. Oxford St., Brooklyn, N. Y. DRY GOODS, THE CENTAUR COMPANY, 77 MULTAY Street, N. Y. them, as the partitions were only cloth; but 1 had been in the place two weeks before anything of interest was dropped from either. One evening while I was at work two men entered one of the At Station Farm young fall Pigs. Apply to J. B. SNOWBALL, fully appear. The same having been selzed by me under and by out of an Execution issued out of the County Court of Saint John by George Robertson and Sanutel A. Corbett against the said Andrew Hosiery TO LET stalls, and drank some grog, and, after lighting cigars, entered upon a conver-sation which at once attracted my atten-soon as I had everything out of the WESTERN RAILWAY. pany with several salides. In two arrate here, but was, betteress, en-hours after coming aboard she started down the river on her trip, and it was only then that I got my syes opened. There was such a hubbub aboard that I had not paid particular attention to the had not paid particular attention to the officers or men, but all of a sudden I discovered that the captain and mate were the very two men I had seen and overheard in the oyster booth. Then I asked the name of the ship, and learned that it was the Albastross. I was greatly troubled, or would have been if left to myself. We were hardly in tow of the tug before the first mato, whose name was McCoy, came up to me with a rope's end and a terrible curse, and exclaimed: "Now, then, stir your stumps or I'll break every bone in your body. Did you some aboard to play young gentle-man ? That was the beginning. I had been, shipped, not a cabin boy, for there was no place for one, but as a ship's dog, a boy who must come and go at every-body's call, and who would be kicked and caffed by everybody. According officers or men, but all of a sudden I I had been on the island three weeks

and the idea that they contained trea-sure never crossed my mind. I got the novelist, I should have found a staunch friend in the forcastle, a Jack Bolt or Ben Brace, who would take me under his wing and offer to fight the whole ship in my behalf, but nothing of the kind happened. Most of the crew were Dagoes, and no one showed me the slightest pity. When we had been out four days I began to feel very ranxious about the safety of the ship. The plan was, as I overheard it, to take me with them. I suppose I got

take me with them. I suppose I got this idea from the men telling me that I was no good, and that I ought to be durg enchanged and that I ought to be fung overboard, and other expressions intended to upset me. You can judge how green I was by what followed I was in McCoy's watch, and on the intended to upset me. You can judge how green I was by what followed I was in McCoy's watch, and on the intended to upset me. You can judge how green I was by what followed i was in McCoy's watch, and on the intended to upset me. You can judge how green I was by what followed i was in McCoy's watch, and on the intended to upset me. You can judge how green I was by what followed i was in McCoy's watch, as he seemed house, and most of the next week was

night of the fourth day, as he seened to soften up a bit when giving me an order, I made bold to say; Mr. McCoy, when you get ready to have the ship go down, you won't leave me to drown, will you?' "W-what?'' he gasped, as he stag-gered back like one shot. In ten minutes he had it all out of me, and he stood before me pale-faced and trembling' When he had made sure that I had not said anything to any of the crew, he took me aft and locked me up in a stateroom designed for the super-cargo. Next morning I was taken to the cabin and questioned by the Capitain and mate and returned to my prison. They were not harsh

was taken to the cabin and questioned by the Captain and mate and returned Albatross, though it was more by the Albatross, though it was more bat, they ald cond a boy, and they had come for a stay of a week or two, it being the season when the turtles came ashore to lay their eggs. They were not from the mainland, but from a larger island to the north and were native West Indians. The captain spoke En dish fairly well, and I gave him a full ex-planation, even to the linding of the ureasure. They could have taken all, but they did not do it. The option looked over my money, and said I had about \$23,000, and it was agreed that, in repayment for a passage to ports Rico I was to surrender all rights to the ship's boat. In four days and said:

keep them about you.' He turned from me as if he did not want to be questioned, and I pocketed but they required other outfit to secure
