On Thursday the defence failed to prove that the alleged murderer was present at lectures in Cooper Medical College at the hour when Blanche Lamoni was killed. The only point gained was the admission of the roll call book which showed the names of the attendees on the fatal day, but the prosecution can produce evidence to show that he frequently asked his classmates to answer to his name when absent. A police officer stated that a child's marks found on the floor leading to the battery corresponded in size to a child found in a tool box in the study of Rev. Mr. Gibson.

**Taylor.**—At Falmouth, Sept. 17, Elias E. Taylor, in the 83th year. Afflicted with a complication of diseases his sickness was protracted and distressing, but through it all his hope was stayed on Christ, and at times he was enabled to praise God with exceeding joy.

**Schurman.**—At Truro, N. S., Sept. 22, Fannie B., beloved wife of Rev. J. Schurman, aged 42 years, having faithfully served her Lord in the relations of daughter, wife, mother, and church member, peacefully fell asleep in Jesus. Her life all her life was given to the service of her Lord in the hope of a glorious resurrection. Her memory is precious.

**MacLean.**—At the Narrows, Queens Co., N. B., on Sept. 13th, at the age of 62 years, Mary H., beloved wife of Archibald MacLean. Early in life our sister accepted Christ as Saviour, and was always faithful in His service. A husband, three sons and a daughter have thus been bereft of a loving and devoted wife and mother. A large number of relatives and friends mourn.

**Waller.**—At Arlington, Annapolis Co., N. S., Aug. 21, the Rev. wife of Joseph Waller, aged 44 years. This sister was an esteemed member of the Wilmot Mountain Baptist church. During her long and severe illness the religion of Christ was her solace and her strength. She was always submissive to the will of God and she had lived with a firm faith in the Lord Jesus Christ.

**Wallace.**—On Sept. 14, Mrs. Winifred Wallace, of Wolfville, N. S., passed away at her residence, aged 85 years. She was a devoted wife, a loving mother, and a true friend. She died in the triumph of faith. She was baptized in Hawdon by Rev. J. Wallace, when she was a little girl, and in all the walks of life she adorned the doctrine of her Saviour. She suffered much in her last illness, but was always found peaceful and happy. She leaves a husband, a widowed mother, two brothers and two sisters to mourn the sad loss. May the God of all grace make the loss a blessing, and supply all their needs through Christ Jesus our Lord.

**Messinger.**—Mrs. Grace Messinger, widow of the late Michael Messinger, departed this life Sept. 2nd, at the home of her daughter, Mrs. Walker, who, with her husband, tended her during her prolonged illness. Thirty-nine years ago sister Messinger joined the Falmouth church and continued through life a faithful and devoted member. She was always ready to engage in church work, and was also the light of the home circle. Old and young were alike won by her, and the religion of Christ was a prominent theme. The friends have departed and the old home has passed into other hands, but hallowed memories still linger about the familiar spot, in the light of which we read the sublime eulogy, "Their works do follow them."

**Calhoun.**—At St. Martins, Sept. 25, after a lingering illness, borne in Christian patience, Mrs. Mary B. Calhoun, relict of the late Capt. Wm. G. Calhoun, aged 71 years, fell asleep in Jesus. Mrs. Calhoun has for many years been a most worthy member of the First St. Martins Baptist church. Her hand and purse were ever open to the needy, and her hospitable home was ever open to the Christian minister visiting St. Martins. A most faithful mother, her children may well "rise up and call her blessed," and there are many outside her family circle who will honestly and gratefully testify to her worth. Upon her death bed she was comforted and assured with our Lord's words in John 16, 1-3. A large concourse of people followed our sister's remains to the grave on Friday, Sept. 27, after telegraphic services had been held in her late home.

**Uhan.**—Mary Ann, eldest daughter of the late David C. and Charlotte Upham, of Otter Brook, Upper Stewiacke, passed away at the late Dr. Wm. H. Campbell, relict of the late Capt. Wm. G. Calhoun, in Franklin, Mass., on the 24th August, aged 66 years. The departed early gave her heart to her Saviour and was baptized and received into the fellowship of the Baptist church in her native place by Rev. D. W. C. Dimock, on her 13th birthday, and proved the sincerity of her profession by a gentle, quiet, christian life. In the spring of 1872 she transferred her membership to that of Rogers St. John, Mass., in which connection she was every ready to aid her pastor and glorify her God in all the schemes of the church, as far as was in her power. Self-sacrificing and pains-taking for the benefit of others, she was faithful in all her relations, according to her sense of duty. While residing in Boston she buried the husband of her youth, after an illness of two years. Two sons also preceded her to the spirit world. For two years she had lain up on a bed of pain and intense suffering, but described herself as "lying in the strong arms of a loving Father, never feeling alone, and just waiting the Master's call." She leaves two married sons, two granddaughters, one brother and one sister, not as others who have no hope. While the cords of affection are sorely torn we can still give thanks for, and rejoice with her, for though absent from us here, it is only for a little while, until we hope through the abundant grace of God to see her again where she wears the crown of an unending life in the presence of her Lord.

### A PRINTED APHORISM.

All work and no play makes Jack a dull boy.

That is because his nerve energy is exhausted faster than nature can renew it.

Then Jack, whether he be boy or man, needs rest and a course of Hawker's nerve and stomach tonic to renew his vitality and make him fit for work once more.

The country is filled with people who are over-worked, or who over-work themselves. To these Hawker's tonic is a boon and a blessing. In use, it is accompanied with common sense precautions as to diet and habits, will give tone to the stomach and nerves, and vigor to mind and body. It cures headache, dyspepsia, general debility, or nervous prostration is overcome and life becomes once more a pleasure to be enjoyed rather than a burden to be borne.

This remedy is beyond question the one thing needed when a man or woman is suffering from any disease arising from nerve exhaustion, bad digestion, or impoverished blood. It is sold at fifty cents per bottle or six bottles for \$2.50, and is manufactured only by the Hawker Medicine Co. (Ld.), St. John, N. B., and New York City.

Minard's Liniment—Once tried always used.

## The Whole Story.

Our business methods are so different from those of other clothiers that perhaps, an explanation may be interesting to the person who has need of our merchandise. There is no question about the fact that we have the most completely equipped clothing establishment in the Maritime Provinces, equal to any in all Canada. That sounds like egotism; sounds like bragging. Perhaps it is both, but it is true.

It is true for several reasons. We carry an immense assortment—larger than any two other stores. Large windows are on each of the four floors, making the store light and easy for buyers to see what the goods are like. Try our rooms so that you can be sure you are fitted. Alterations are quickly made by competent hands, free of charge. A cutter and fitter always in attendance. Pressman at your service, free. Free delivery in this city and to any part of New Brunswick and Nova Scotia. Catalogues and samples sent on application.

Our confidence in our goods makes us willing to back them up with the money back if you want it. For any reason; for any fault—yours or ours, your money back for the asking.

Your confidence in us makes you buy what we sell. Our confidence in you makes us ask you to tell us how our clothes wear. All our goods are marked in plain figures and we are strictly one price to all alike. One man can buy as cheaply as another; a child can buy as cheaply as a parent. The man with a dollar to spend gets the same service as a man with a hundred. The dollar man might have a hundred the next time he comes.

The effectiveness of our policy is proved by the fact that this business has grown to be five times the size it was five years ago, and is still growing rapidly. That's what our policy has done for us—(good goods or your money back, etc.). The business would not have grown if the service had not been satisfactory.

Our business is in four departments, viz: Men's clothing, boys' clothing, furnishings and custom tailoring. We sell ready-to-wear clothing to people who want good clothes for little money, in a hurry. We sell custom made clothes to people who have time and money to spare, yet our prices are less than other tailors. Furnishings are boys' and men's shirts, underwear, collars, cuffs, neckwear, braces, socks, etc. Expect to find everything there that fashion dictates. Our boys' clothing department is full of all the regular styles besides exclusive designs that we alone can sell you.

Everything we sell goes out with the distinct understanding that if it is not perfectly satisfactory it may be returned and the money refunded.

We are always glad to have people call and see our goods and then buy when they are ready. We are ready to serve the smallest customer with the least money to spend, better than any other clothing house we know of.
